No. 5372.

CHIEF OFFICE OF THE INSPECTOR-GENERAL OF POLICE,
MADRAS, 25 October 1895.

FROM

M. HAMMICK, Esq., I.C.S.,

INSPECTOR-GENERAL OF POLICE,

Madras,

TO

THE Chief Secretary
to Government,

SIR,

Enclosures.

With reference to G.O., No. 989, Judicial, dated 11 May 1895, concerning the additional Police ghats required near Kalyandrug, Anantapur District, I have the honor to report that after consulting the Superintendent of the District, the Deputy Collector in charge of the Division and the District Magistrate, I considered that the addition to the force should be 6 Constables and 3 Talukdars.

2. The people of certain Villages complained that by the transfer of portion of Bellary District to Anantapur they ^{would} have to go along lonely and dangerous roads to Kalyandrug and Anantapur on account of business hitherto done at Rayadurg. This is true, and in making provision to guard the roads which will be

now used, it must be borne in mind that the country round Rayadurg and not far from Kalyandurg is infested with members of daking gangs. Only recently there was an organised dacoity on a house in Rayadurg when the day had hardly closed, and the criminals are I regret to say still at large. For this reason I agree with the District Magistrate in thinking that it is necessary to man the newly established ghats with a Constable and a Taliari, instead of with two Taliaries. The Constable will, as is usual in such cases, be changed every week and he will when on duty at the ghat carry a Carbine, and patrol the road near the ghat huts. I have not much faith in ghats manned by Taliaries alone being of much use. As a rule in such cases the Taliaries establish themselves with their families at the spot, make themselves comfortable with a hut and a little cultivation and probably as often as not are in with the neighbouring bad characters, or at all events pay a small sum to be left alone and leave the gangs alone

alone in return.

3. The roads to be guarded are:-

(1). Budigumma to Kalyandurg. This road for six miles north of Kalyandurg is reported to be dangerous. Two Tannahs are necessary, one at Kalinchetta Manka - 6 miles from Kalyandurg, and one at Botampalli 4 miles north of the same place.

(2). The road from Belaguppa to Kalyandurg. Two Tannahs already exist on this road with one Taliari attached to each - a Constable has to be added to each of them.

(3). The road from Kalyandurg to Rayadurg - the existing Tannah of one Taliari on this road 4 miles to the north of Kalyandurg has to be strengthened by one Constable.

(4). The road from Rayadurg to Anantapur - one new Tannah has to be placed on the road under Belaguppa hill about $3\frac{1}{2}$ miles from Belaguppa Police Station.

4. There are thus three new Tannahs to be established, each consisting of a Taliari on Rs. 5 and a Constable, and three existing Tannahs

Tamaks to be strengthened by the appointment
of one Constable.

5. I do not think any less than
the above additional establishment will
be properly effective and I therefore
submit it for the sanction of Government.

I have the honor to be,
Sir,
Your most obedient Servant,

Mammick
Inspector General of Police.
