No 638

District Court, Coimbatore.
12th October, 1895.

From

J. Weir, Esquire.

District Court,

Coimbatore.

To

D. W. G. Lowie Esquire,

Asst. Registrar, High Court,

Appellate side, Madras.

Sir,

On the 17th July 1895, the Superintending Engineer of this Circle communicated to me following letter received by him from the Executive Engineer —

"I have the honor to draw your attention to this office No. 2656 of 15th July 1892 in which an estimate of Rs 12,500 for the construction of a new District Munsiff's Court at Adumalpet was submitted to you for sanction. As on my recent inspection of the place, I find that a new building is very necessary, I request that early sanction of —
Government

Every letter, whether printed or in manuscript, should be docketed and abstracted on the back; and the abstract should state clearly the purport of the letter and not merely its title subject.

Enclosures and statements also, whether sent with letters, or merely under cover, should be numbered, docketed and abstracted. The headings of statements should be written in full to prevent mistakes. (G. O. 8th April 1893, No. 289, Public.)

Government to the estimate may be obtained and the necessary provision of funds made."

2. The question of providing a new Court-house at Edumalpet has, I find, already formed the subject of some correspondence between this Court and the High Court.

3. The Edumalpet District Munsiff's Court was inspected by my immediate predecessor, Mr. Broadfoot towards the close of 1893, very shortly before I assumed charge of the Court, but Mr. Broadfoot made no observations and expressed no opinion at the time in regard to the state of the Court-house and its suitability for the purpose (Civil Rules of Practice - page 83 para. 217).

4. Not having had occasion myself to inspect this Court, and having therefore no personal knowledge of the subject, I called on the District Munsiff, after receipt of the Superintending Engineer's letter, to report fully on the state of the building and its suitability as a Court-house, and I now enclose his reply.

From District Court to High Court.

5. The District Munsiff's letter discloses that the Court building is badly situated, is badly ventilated, is deficient in the requisite accommodation and is in almost every way unsuited for the purposes for which it is used.

6. The site is, however, for reasons mentioned by the District Munsiff, a valuable one and it appears therefore probable that a considerable contribution towards the cost of erecting a new Court house might be obtained by the sale of the site and building.

7. In the circumstances disclosed, I have the honor to request that the High Court will be good enough to obtain the sanction of Government for the construction of a new Court house at Edumalpet at a cost of Rs 12,500 or thereabouts as stated in this Court's letter, dated 27th September 1892.

I have &c.
