For orders.

In reply to 1395 D 3 July last re
the establishment of a telegraph office at Angadi-
puram, the D.G. of Telegraphs states that the
^{experiment} though costly is worth making & that he
would be able to provide funds therefor this year or
in April next. Perhaps the proposal to ^{connect} ~~communicate~~
the 3 places with telephones may be given up at
present? *up to me*

^{Approximate} ~~Exact~~ figures of cost are not given in
either case. The telephone is being used by
no one but Govt, but the public wd. help pay for
a telegraph line.

Mon 19/11/95

The Director seems in favour
of the experiment on political
ground. Requested that it
may be tried *LD*

Returned to the D.P.W. with
the remark that the proposal to
establish telephonic communication
between the three places in question
may be given up for the present but
that and with the request that the Tele-
graph Dept may be now moved to construct
a telegraph line from Mallapuram to Angadi-
puram *LD*
