Adverting to endorsement, No. 2448. Indil, dated 12th instant, referring for remarks a proposal by the Collector of Malabar to give up to the Revenue Department for occupation by the Subregistrar office the rooms attached to the Sub Cutcherry at Mangeri in which a Subregistrar office at that station is held, a separate office building & the standard plan being constructed for the Subregistrar office, I have the honor to state that I have no objection to the proposal. The present rooms were built in 1876 under G.O. No 1391 W. dated 30th May 1876.

and do not contain sufficient accommodation for a Subregistrar's establishment and records. The rooms may, therefore, be given up to the Revenue Department and a building on the revised standard plan ^{the larger office} mentioned in G.O. No. 1320. W. dated 13 May 1891. constructed for a Subregistrar's office. If the Government approves of the proposal I beg that orders may be issued in the Public Works Department for the preparation of plans and estimates for a new building. Until a new building is constructed the Subregistrar's office will have to be held in the present rooms.

I have the honor to be
