To The Superintendent of Police

Sir,
With reference to the proceedings of
the District Magistrate Salem dated 16th
June I respectfully beg to submit
that while State Prisoner Hotadiyil
Poker has been in my charge, he has
kept good health. He said that he
got fever at night, but when told
to go to Hospital he said he did not
want to go and the men who watch
him says that he got no fever. He
looks well enough and is always
moving about the Town. It will be
hard for him to get anything to do
here

here just yet as he does not understand
the language, and also it will take
some time yet before the people here
will employ a man of his
description, with the police always
looking after him. He begs that he
may be allowed to get his family
up here and if that be granted
he may in time settle down here
and be able to support himself.

I respectfully etc

To

The District Magistrate
Salem.

Sir.

With reference to your letter Reference
on No. 1083 dated 13th November 1895, I
have the honor to inform you that the prisoner
State Prisoner Kattabidigil Pether is not
able to find any employment in Salem
at present to subsidize the allowance
given to him by Government owing to
his inability to make himself understood;
being also under Police Surveillance —
(however unobtrusive) merchants and
others do not care about employing him.

The allowance of Rs 6/- is barely
sufficient for his requirements; he
is unable to cook his own food and
has to pay for a Muhammadan to
do duty as a servant; for this, food

food and raiment the Rob/- is absorbed
and he is dependent on the charity of
his co-religionists for other requirements.
I accordingly recommend that he be
given an additional Rupee per
Mensem.

The allowance granted to Kattadigal Pether will accordingly be raised to Rs 7 p.m. & he will be
2. There is no objection to the
State Prisoner disposing of his
cumbly and purchasing a
mat instead. His request
cannot be complied with.

W. A. 12/95
20/12/95

Note
Kattadigal Pether is one of
those persons who were ordered
to be kept under police sur-
veillance for complicity in the
Moplah outbreaks of 1894. The
now request—

(1) That his allowance may
be increased as the grant now
made to him is insufficient

(2) That he may be removed from Salem as the place does not agree with him

(3) That he may be allowed to dispose of the cumbrly which was given to him when he was at Coimbatore and to purchase a mat instead as he has been told that he should not sleep on the cumbrly in the morgue.

(4) That he may be given a Koran in Malayalam as he cannot read the Koran in this language, and

(5) That he may be permitted to correspond with his friends.

2. The man is now given an allowance of Rs 6 p.m under S.O of 8. Sept. 94. No 2186 & the S.D. Magistrate of Malabar reported this amount to be sufficient. vide S.O of 23. Nov. 94. No 2839. As the P.W. Supdt & the S.D. Magistrate, Salem, now report that the allowance is insufficient and recommended an increase to Rs 7 p.m. The recommendation may perhaps be accepted, and it is said

that his ignorance of Tamil & the fact that he is under police surveillance prevents him from getting any work.

12/195
X I submit that the man might be given this. He cannot very well earn anything out of his 7 a month. The Prob Magt might have disposed of the Cumbrly Question himself. LD

3. As regards his second request, it will be seen from C.No 3944 that residence in Salem is not really prejudicial to his health, his prayer may therefore be rejected.

4. Requests (3) & (4) are hardly matters upon which Smt. should have been addressed, but the wording of Sec 5 of Regulation II of 1819 is imperative and seems to allow no discretion to subordinate officers to withhold representations intended for Smt. There seems to be no objection to the man disposing of his cumbrly & purchasing a mat instead, but there is no reason why the State should provide him with a Koran in Malayalam. If he wants to have the book, he must purchase it from savings (which he must effect) from the allowance made to him or from private earnings.

5. With regard to his last request, there is nothing forbidding his corresponding with his friends, but it seems inexpedient that

P.T.

The Govt should authorize him
to do so.
