Sir

I have the honor to request that
Government may be pleased to extend the
provisions of Act III of 1889 (Towns' Nuisances Act)
to Senakottai in this District, where it is
desirable to put it in force, for the following
reasons.

2. Senakottai is a large town containing
1684 houses and a population of 11169. The
Sanitary arrangements of the town, are
controlled by a Mayor Union, but the Police
find it inconvenient to take cases of
nuisance, to the Court of the Sub-Magistrate
of Tirumadanai, which is 12 miles from
Senakottai

3. The President of the Taluk Board, Ramana,
in

in his remarks dated 5th July 1894, in the visitor's book of the Devakottai Local Fund Dispensary, states that it "is necessary there should be a Special Magistrate for this town and that the Towns Nuisances Act should be introduced in it immediately."

The Hospital Assistant, who is also the Chairman of the Union, appears to take much interest in the sanitation of the town, but he has, like the Police, to contend against great difficulties, as he has to send up all cases of nuisance to the Sub Magistrate at Tiruvadanai.

4. I have the honor to propose, that M. R. Ry K. C. Sundara Rajah, Sub-Registrar of Devakottai, may be invested with the powers of a Magistrate of the 3^d class, to try offences under Act III of 1889. He has expressed his Consent to be a special Magistrate. The Sub Registrar has been exempted from the Examination rules by Government (Copy of Government order enclosed).

5. It appears he was recommended for the post of Special Magistrate of

Tiruvannamalai, South Arcot, while he was Sub Registrar there, but before the appointment was made, he was transferred from there.

I have the honor to be
Sir

Your most obedient servant
