I have the honor to bring to the notice of Government that the building, formerly known as the military barracks at Vizagapatam, transferred to this Department under G.O. No 610 W. dated 6th March 1884 and now used as the District Police Stores, place of arms, School etc. is in a bad state of repair. The District Engineer, who has inspected the building, proposes dismantling the parts infected with white ants and putting on a new roof; he estimates the cost of these alterations will exceed Rs 1000.

2. I consider that this work is an urgent one and should be carried out at an early date

date.

3. If my proposal is sanctioned, I
solicit that necessary orders may
issue in the Public Works Department
for the preparation of plans and
estimates and for an early appro-
priation of funds.

I have the honor to be,

Sir,
