NOTE FOR THE CHIEF SECRETARY.

It seems useless to transfer this to the P.W.D. The only question is whether it is necessary to refer the matter to the Y.G. for report. In his letter on 20. 7. 28. 4. 94 No. 1016 he states his opinion that the owner's "evident intention" is to sell the house if possible, & for this reason recommends the purchase in order to avoid the possibility of its being disposed of to some one else without allowing East the chance of purchasing it.

This seems to justify one replying to "India" in the affirmative.

If C. does not think so, it will be necessary to go through the lengthy process of referring the telegram to the Y.G. for report & delaying the reply to India for weeks.

~~Handwritten text, mostly illegible due to heavy scribbling.~~

I think that it is best on the whole to make a reference to the Y.G. What he says is not my definite. The place might never change again and the purchase might continue to be in the other Dept. I am sure of the position.
