MARCH.

Political Détenus and State Prisoners.

Passing orders on the returns of — for the half-year ending 31st December 1894 and directing the issue of a warrant for the transfer of the prisoner Palappana Mammutti from Masulipatam to Palamcottah.

6TH MARCH 1895, NOS. 481, 482, JUDICIAL.

GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

READ—the following papers :—

From A. G. CARDEW, Esq., M.A., I.C.S., Inspector-General of Prisons, to the Chief Secretary to Government, dated Ootacamund, 23rd January 1895, No. 328.

I have the honour to submit the prescribed half-yearly return of Political détenus and State prisoners for the period ending 31st December 1894.

No. 3. Kanhirangadan Saiyid Ali.
„ 11. Pathumbulavil Suppi.
„ 14. Akaramal Ahamad Kutti.
„ 16. Nadakolattil Erathali Haji.
„ 18. Cherudala Ahamad.
„ 19. Padatodiyil Paradi.
„ 20. Chembratodiyil Raman.

2. The number of names included in class I is twenty as against fourteen included in the return for the half-year ending 30th June 1894. One name, that of Narakaputtan Vittil Saiyid Muhammad Koya Kutti, who died on 14th March 1894, has been removed from the list, and seven names, noted in the margin, have been added. The list, accordingly, now comprises—

(1) Nine persons implicated in the outrages of 1873, 1880, 1884 and 1885.
(2) Six persons implicated in the conspiracy of February 1894. (G.O., 1st June 1894, No. 1333.)
(3) Five persons implicated in the outrage of March—April 1894. (G.O., 8th September 1894, No. 2186.)

3. Two more persons, viz., Mussaliar Moidin Kutti and Katodiyil Poker, whose detention at Cocanada and Salem was ordered in the last-named Government order, were still in the Coimbatore Central Jail at the close of the half-year under report and are hence omitted from class I. The attention of the Inspector-General of Police has been drawn to the matter. Tekkathil Koya Kunhi Koya Tangal, whose case is referred to in G.O., dated 3rd November 1894, No 2633, is not included in the returns, as he is reported not to have reached Palamcottah on 31st December 1894. In the case of No. 20, Chembratodiyil Raman, the District Magistrate, Madura, now states that he reached Madura on the 26th June 1894, although in his letter No. 100, Camp, dated 1st July 1894, the District Magistrate stated that the *détenu* had not yet arrived. If, as is stated, No. 10, Palappana Mammutti, is suffering from beri-beri, a removal to some place where the disease is not endemic, *e.g.*, Vellore, might be advisable.

4. The number of names in class II is twenty against nineteen included in the return for the half-year ending 30th June 1894. One name, viz., that of Mottadam Sobilan Dora, who was released on the 24th March 1894, has been omitted, and two names, viz., those of Nos. 18 and 20, Topiath Mammad and Kattuvala Kundil Ahamad, have been added. Of the twenty names now shown, four persons, though they were under personal restraint during part of the half-year, had, before its close, been removed to the towns assigned to them for residence ; No. 13 was released on the 8th December 1894 ; and only fifteen persons were actually under restraint on the 31st December 1894. Two of these, Nos. 9 and 10, are awaiting removal by the police to Cocanada and Salem, respectively, and the case of one, No. 8, is still pending before Government.

5. These returns are prescribed in Regulation II of 1819, section 3. The words of that section seem to imply that the returns shall relate only to such prisoners as are actually in custody on the 1st January and 1st July annually, but they are not clear, and it has been the practice to include in the returns every person who was in custody as a Political detenu or State prisoner at any part of the half-year. Thus, Irduman Hadji is included in class I on this occasion, and several names occur in class II, who, at the end of the half-year, were in class I and have thus to be twice shown. This practice seems to be useless and unnecessary, and it is submitted that the returns should in future, deal only with persons actually in custody on the 30th June and 31st December, respectively, deaths or releases being explained in a covering letter.

6. The delay in the submission of these returns is due to the non-receipt in due time of the required information from the District Magistrates of South Arcot and Madura.

From J. N. ATKINSON, Esq., District Magistrate, Kistna, to the Chief Secretary to Government, dated Masulipatam, 28th January 1895, Ref. on C. No. 101 Mag.

In submitting herewith, for orders, the petition presented by the State prisoner Palappana Mammutti, who has been kept in Masulipatam under surveillance of the police under G.O., No. 1335, dated 1st June 1894, Judicial, requesting his transfer to some other station, I have the honour to recommend that he may be transferred to any place in the southern districts as he complains that the climate of Masulipatam does not agree with him and as the police support his statement.

OOTACAMUND,
23rd January 1895.

A. G. CARDEW,
Inspector-General of Prisons.

ORDER—dated 6th March 1895, No. 481, Judicial.

With the letter read above, the Inspector-General of Prisons submits the returns of State prisoners for the half-year ending 31st December 1894. Paragraphs 2 and 4 of the letter explain the various changes that have taken place during the past six months. The only additions to the list are Moplahs concerned in the recent disturbances in Malabar, and it is noticeable that all the prisoners now under detention belong to that class of the community. Excluding Pandarapettu Sidhi whose discharge from jail was sanctioned in G.O., dated 23rd November 1894, No. 2839, there was only one release, viz., that of Irduman Hadji, the period of whose confinement expired on the 31st October 1894. The orders relating to the other prisoners specify no definite period of detention and the condition of affairs in Malabar renders it obviously inexpedient to release any of them at present.

2. The transfer to Cocanada and Salem, respectively, of Mussaliar Moidin Kutti and Katodiyil Poker who were in the Coimbatore jail at the end of the year should not have been delayed so long.

Rep. Copy recd.

3. The District Magistrate of Malabar will report what further action has been taken with reference to G.O., dated 3rd November 1894, No. 2633, in which the deportation of Tekkathil Koya Kunhi Koya Tangal was ordered. He should also submit without delay the further report regarding Edapathi Alivi Gurikal which was called for in G.O., No. 2839, dated 23rd November 1894.

4. With reference to the letter received from the District Magistrate of Kistna, Palappana Mammutti will be transferred to Palamcottah. The District Magistrate should forward him to that place in the custody of the police, returning to Government for cancellation the warrant under which he is now detained. A fresh warrant will be issued to the District Magistrate of Tinnevelly.

5. Copies of the Government Orders sanctioning increases in allowances to Pulikkal Viran Kutti, Palappana Mammutti, Mundath Saiyid Ali, Cherudala Ahamad and Padatodiyil Paradi will now be communicated to the Inspector-General of Prisons.

6. The proposal contained in paragraph 5 of his letter will be approved.

SIR,

I have the honour to submit the prescribed half yearly return of Political detenus and State Prisoners for the period ending 31st December 1894.

No 2. Kanhirangadan Saiyid Ali
No 11. Pathumbulavil Suppi
No 14. Akkaramal Ahamad Kutti
No 16. Nadakkolattil Erathali Haji
No 18. Cherudala Ahamad
No 19 Nadatodiyil Paradi
No 20. Chembratodiyil Raman

2. The number of names included in class I is 20 as against 14 included in the Return for the Half year ending 30th June 1894. One name, that of Narakaputtan Vittil Saiyid Muhammad Koya Kutti, who died on 14th March 1894, has been removed from the List, and seven names, noted in the margin, have been added. The list, accordingly, now comprises,

(1) nine persons implicated in the outrages of 1873, 1880, 1884 and 1885.

(2) six persons implicated in the conspiracy of February 1894. (G.O. 1st June 1894, No 1333)

(3) five persons implicated in the outrage of March – April 1894. (G.O. 8th September 1894
No

No. 2186)

3. Two more persons viz. Mussaliar Moidin Kutti and Katodiyil Poker whose detention at Coconada and Salem was ordered in the last named G.O. were still in the Coimbatore Central Jail at the close of the Half year under report and are hence omitted from Class I. The attention of the Inspector General of Police has been drawn to the matter. Tekkathil Koya Kunhi Koya Tangal, whose case is referred to in G.O., 3rd November 1894, No. 2633, is not included in the Returns, as he is reported not to have reached Palamcottah on 31st December 1894. In the case of No. 20 Chembratodiyil Raman, the District Magistrate, Madura, now states that he reached Madura on the 26th June 1894, altho' in his letter No. 100 Camp, dated 1st July 1894 the District Magistrate stated that the detenu had not yet arrived. If, as is stated No. 10 Palappana Mammutti is suffering from beri-beri, a removal to some place where the disease is not endemic, e.g. Vellore, might be advisable.

4. The number of names in Class II is 20 against 19 included in the Return for the Half year ending 30th June 1894. One name, viz. that of Mottadam Sobilan Dora, who was released on the 24th March 1894, has

been

been omitted, and two names, viz. those of Nos. 18 & 20 Topiath Mammad and Kattuvala Kundil Ahamad have been added. Of the 20 names now shown, 4 persons, though they were under personal restraint during part of the half year, had, before its close, been removed to the towns assigned to them for residence; No. 13 was released on the 8th December 1894; and only 15 persons were actually under restraint on the 31st December 1894. Two of these, Nos. 9 & 10 are awaiting removal by the Police to Coconada and Salem respectively, and the case of one, No. 8, is still pending before Government.

5. These Returns are prescribed in Regulation II of 1819, Section 3. The words of that Section seem to imply that the Returns shall relate only to such prisoners as are actually in custody on the 1st January and 1st July annually but they are not clear, and it has been the practice to include in the Returns every person who was in custody as a Political detenu or State Prisoner at any part of the half year. Thus, Iduman Hadji, is included in Class I

on

on this occasion, and several names occur in Class II, who, at the end of the Half year, were in Class I and have thus to be twice shown. This practice seems to be useless and unnecessary, and it is submitted that the Returns should, in future, deal only with persons actually in custody on the 30th June and 31st December respectively, deaths or releases being explained in a covering letter.

6. The delay in the submission of these Returns is due to the non-receipt, in due time, of the required information from the District Magistrates of South Arcot and Madura.

FOR ORDERS.

Please see H. M.'s remarks against the last para. of the draft order.

It is submitted that Mr Cardew does not propose to discontinue the submission of the return shewing persons under police surveillance; the expression "in custody" which he uses is on the face of it misleading, but it is to be remembered that the words are taken from Regulation II of 1819, where they are used as equivalent both to "in confinement ~~and~~ or under other personal restraint". It will be seen that Mr Cardew speaks of submitting "these returns" in future; the use of the plural number implies the continuance of the return shewing persons kept under surveillance, for of the two returns one ~~confined~~ shews only ~~to~~ this class of détenus.

2. It is submitted therefore that the only change proposed is that the two returns should deal with the state of affairs on the ~~last day~~ 1st January, or 1st July as the case may be; releases, deaths, transfers in the preceding half-year being shewn in the covering letter instead of in the body of the statement. This seems more in accordance with the wording of Sec. III of the Regulation, &, as Mr Cardew points out, avoids the double entry of one name in both returns.

My dear Davidson,

The meaning of para. 5 of my Letter No. 328, dated 23 Jany 1895, was, as stated in your D.O. of the 14th, "nothing more than that the Returns should deal with the state of affairs existing on the 1st Jany or 1st July, as the case may be." I am sorry that this was not made sufficiently clear. The phrase "in custody" was used to include both persons who are detained under surveillance (Class i), & prisoners confined in Jails (Class ii). As you state, it is the phrase used in the Regulation, & also in the Warrants issued by Government to District Magts for the detention of Class i prisoners.

Yours sincerely
A. G. Cardew.

FOR ORDERS.

With reference to H.M.'s note against the last para of the draft order on current no. 304 (Return of Political Détenus), Mr. Cardew was asked to explain the exact meaning of his proposal. He states that his meaning was to alter the returns so as to make them shew the state of affairs on the 1st January or the 1st July, the phrase "in custody" being used to include "under surveillance". It is not proposed to discontinue either return.

May the draft order now issue?

22/2 21.2.95

Attention is invited to the accompanying note para. 3 of which (overleaf) deals with the Kistna Dist. Magte's proposal to change the place of surveillance of Palappan Mammutti. Para 4 of the draft order has been altered accordingly but H.M. has to decide where the man is to go.

I think it was noted on another paper I saw just now that there was no Moplah detenu at Palamcottah. If so, he might be sent there.

Note for H.M.

the linked current 522 the Kistna Dist. Magte recommends the transfer of Palappara Mammutti to any place in the Southern Districts. He himself asks to be sent to some place in Tanjore, Trichy or Coimbatore. The lastnamed district is too near Malabar, & Moplahs are already under detention at Tanjore & Trichy towns. Perhaps he might go to Kumbakonam or Negapatam. At Vellore, which Mr. Carstew suggested, there is already one détenu. Para 4 of the draft order has been altered, a blank being left for the insertion of the name of the town to which H.M. decides to send ~~him~~ P. Mammutti.

4. The number of names in class II is twenty against nineteen included in the return for the half-year ending 30th June 1894. One name, viz., that of Mottadam Sobilan Dora, who was released on the 24th March 1894, has been omitted, and two names, viz., those of Nos. 18 and 20, Topiath Mammad and Kattuvala Kundil Ahamad, have been added. Of the twenty names now shown, four persons, though they were under personal restraint during part of the half-year, had, before its close, been removed to the towns assigned to them for residence; No. 13 was released on the 8th December 1894; and only fifteen persons were actually under restraint on the 31st December 1894. Two of these, Nos. 9 and 10, are awaiting removal by the police to Cocanada and Salem, respectively, and the case of one, No. 8, is still pending before Government.

5. These returns are prescribed in Regulation II of 1819, section 3. The words of that section seem to imply that the returns shall relate only to such prisoners as are actually in custody on the 1st January and 1st July annually, but they are not clear, and it has been the practice to include in the returns every person who was in custody as a Political detenu or State prisoner at any part of the half-year. Thus, Irduman Hadji is included in class I on this occasion, and several names occur in class II, who, at the end of the half-year, were in class I and have thus to be twice shown. This practice seems to be useless and unnecessary, and it is submitted that the returns should, in future, deal only with persons actually *in custody* on the 30th June and 31st December, respectively, deaths or releases being explained in a covering letter.

6. The delay in the submission of these returns is due to the non-receipt in due time of the required information from the District Magistrates of South Arcot and Madura.

From J. N. ATKINSON, Esq., District Magistrate, Kistna, to the Chief Secretary to Government, dated Masulipatam, 28th January 1895, Ref. on C. No. 101 Mag.

In submitting herewith, for orders, the petition presented by the State prisoner Palappana Mammutti, who has been kept in Masulipatam under surveillance of the police under G.O., No. 1335, dated 1st June 1894, Judicial, requesting his transfer to some other station, I have the honour to recommend that he may be transferred to any place in the southern districts as he complains that the climate of Masulipatam does not agree with him and as the police support his statement.

A. G. CARDEW,
Inspector-General of Prisons.

OOTACAMUND,
23rd January 1895.

ORDER—dated 6th March 1895, No. 481, Judicial.

With the letter read above, the Inspector-General of Prisons submits the returns of State prisoners for the half-year ending 31st December 1894. Paragraphs 2 and 4 of the letter explain the various changes that have taken place during the past six months. The only additions to the list are Moplahs concerned in the recent disturbances in Malabar, and it is noticeable that all the prisoners now under detention belong to that class of the community. Excluding Pandarapettu Sidhi whose discharge from jail was sanctioned in G.O., dated 23rd November 1894, No. 2839, there was only one release, viz., that of Irduman Hadji, the period of whose confinement expired on the 31st October 1894. The orders relating to the other prisoners specify no definite period of detention and the condition of affairs in Malabar renders it obviously inexpedient to release any of them at present.

2. The transfer to Cocanada and Salem, respectively, of Mussaliar Moidin Kutti and Katodiyil Poker who were in the Coimbatore jail at the end of the year should not have been delayed so long.

As the Malabar Dist. Magt.'s copy note whether these have since been received. I fancy both reports have come. I 16.3

3. The District Magistrate of Malabar will report what further action has been taken with reference to G.O., dated 3rd November 1894, No. 2633, in which the deportation of Tekkathil Koya Kunhi Koya Tangal was ordered.
