Sir,

In reply to G. The Headquarter Deputy Collector at Saidapet is, at present, using the Collector's copies, but as his office is more than a mile from the Collectors, he is practically prevented from referring to the law reports in the course of his work. I, therefore, strongly recommend that an additional copy be supplied for his use. Law reports are printed to be used, and, unless free and convenient access can be had to them, the object ... tion is defeated. The Treasury Deput... copies of the report

SIR,

In reply to the Proceedings of Government, dated 3rd December 1894, R. No. 1147, I have the honor to report that the only two Deputy Collectors, Mannargudi and Tanjore Divisions are supplied with Copies of the Indian Law Reports.

2. These reports have not hitherto been supplied to the Deputy Collector in charge of Pattukkottai Division probably for the reason that he is the (original) Head quarter Deputy Collector but as this officer is frequently on tour in his Division and his Head quarters is Tanjore 7 miles away from my own, it is advisable

that

that he should be supplied with reference to Government Order No. 3365 dated 10th December 1885 J. D.

3. The Probationary Deputy Collector, the Personal Assistant Deputy Collector and the Treasury Deputy Collector do not receive Copies of the Law-Reports. They as well as the Assistant Collector may, whenever necessary, conveniently use the Collector's Copies.

The Treasury Deputy Collector who does not receive these reports can use the Collector's Copy when necessary but I think the Melur Deputy Collector, who has to travel, and exercises firstclas magisterial powers, should be supplied with a copy of all the Series.

Sir,

With reference to G.O. No. 1147. The Head Quarter Dy Collector here, is in charge of the Trichinopoly division, is a touring officer and has heavy magisterial work. His Office is in a separate building and he cannot conveniently use the Collector's copies, and I beg accordingly to suggest that he may be supplied separately with the reports. He informs me that he was contemplating making this request. At present he knows nothing of the latest rulings of the Courts until Vakils from time to time draw his attention to them during the Course of trials.

The Treasury Dy Collector does not receive separately, Copies of the reports.

FOR ORDERS.

In G.O. of 10 December 1885 No. 3366 Judl., the Supdt. of the Govt. Press was directed to arrange for the supply to all Divisional Magtes of the complete series of the Indian Law Reports.

2. In para 7 of B.P. No 236 of 7 June 1894 the Board quoted a remark of the Kistna Collector to the effect that his headquarter Deputy received no copy of the I.L.R. series inasmuch as he had the use of the Collector's library. The Board went on to say that if other Headquarter Dy Collectors were not supplied with the series it would be necessary to amend the list of periodical supplied, which formed the appendix to its proceedings (item 8 in the list marked with red tape in Original of G.O. 593 Rev. / 13.8.94)

3. Para. 3 of that Revt. G.O. referred this for consideration in the Judicial Department.

4. The Supdt. of the Govt. Press was accordingly asked to report whether Head-Quarter Dy Colrs were supplied with the I.L.R. series.

In reply the Supdt. gave a list of 22 General Duty Collectors so supplied & remarked that the distribution list did not shew whether they were Head Quart

Deputies or not.

5. In order to ascertain this information all Dist. Magtes were requested
(a) to submit a list of the Deputy Collrs in their districts who received the series
(b) to state whether Head quarter Deputies should continue to receive the supply or could conveniently use the Collector's copy.

6. The replies to this reference form the currents now under disposal.– They are dealt with in detail in the office note attached. There is however no need for C.S. to peruse that lengthy document, as the results can be summed up ~~briefly~~ briefly as follows:–

7. The Collectors mention all the officers specified in the Supdt.'s list and also three others: vizt.

(i) General Duty Deputy Collr. of Puttur in South Canara.
(ii) Head Quarter Deputy Collr. of Coimbatore
(iii) General Duty Collr. of Cochin in Malabar, who receives a copy in his capacity as Subjudge.

From this it is evident that the Supdt.'s list is incomplete

8. As regards the necessity of supplying Head Quarter Deputies with the series, some Collectors recommend it & some do not. The only reasons assigned for the recommendation are either
(a) that the Headquarter Dy. Collr. occupies a different building from the Collector & cannot conveniently use the Collector's copy for this reason
or. (b) that the Dy. Collr. is a touring officer & wants the series when out in camp.

The first reason, it is submitted, is a

The distribution list of the I.L.R. series should now be corrected by the Supdt. of the Govt. valid one; it would be highly inconvenient to the Collector if his copy were from time to time away from his library in a building a mile distant, – (or 7 miles off as in the case of Vallam, where the Head-Quarters Deputy is at Tanjore). The second reason does not appear sufficient for a Divisional Magte does not take complete sets of the Law Reports out in camp with him; he ordinarily leaves them at his head-quarters & looks up doubtful points on his return. – Many Collectors do not raise this point & state that the head-quarter deputies can conveniently use their copies.

9. The replies do not show, however, in all cases whether the headquarter deputies occupy the same buildings as the Collectors, & it is therefore not possible to make out a satisfactory list without calling for more inform There is no reason, however, why replies should not go direct to Supdt. of the Govt Press.
