CURRENT NO 892

Tinnevely District Magistrate's Office

Dated 19 February 1895.

Camp. Santharaneimarkal

Camp no. 33.

From

A. W. B. Diggins Esquire,

Ag. District Magistrate of

Tinnevely,

To

The Chief Secretary to

Government,

Judicial Department,

Fort Saint George.

Sir,

Referring to G.O. dated 21st August 1894 No. 2016, I have the honor to enclose for the approval and sanction of Government a draft notification and sketch showing the area around the town of Tuticorin to which I propose that the Towns Nuisance Act III of 1889 should be extended.

2. The advantages of the proposed extension will be that gambling will be more difficult for those of the inhabitants of Tuticorin who wish to gamble, because they will have to

to go further afield for the purpose; also that it will be now possible to protect the left as well as the right bank of "Puckles Channel", and the ^{lower portion of the} channel itself which constitutes the water supply of the town from defilement, and also to keep the whole area in a more sanitary condition.

3. I have had the area selected, and the notification and plan prepared under my personal supervision, and trust that they may be acceptable to Government. The delay in submission is due to the necessity for revising a defective plan submitted by the Deputy Tahsildar.

I have the honor to be,
Sir,
Your most obedient servant,

Caro Haggard

Ag. District Magistrate.
