GOVERNMENT OF MADRAS

To,

The Chief Secretary to Government
Fort St. George
Madras.

Sir,

I have the honor to submit for the favorable consideration of Government, a Mahzar from the Mohomedans of Ellore praying that the Stipend sanctioned in G. O. No 1207 D/ 17th May/94 for the Khazi of Ellore be granted in the name of the minor son & successor Mir Bazli Ally of the late Khazi Syed Abdur Rahaman saheb and that a portion of it (Rs 15/-) be paid to Mir Sujjad ali the actg. Khazi appointed by the G. O. The petitioners state that it was on this understanding that they for the Actg: Kazi ship, but that he taking advantage of the wording of the G. O. now claim the whole of the Stipend to the prejudice of the minor, the permanent Khazi & the minor's unmarried Sister aged 12 years.

In the circumstances represented by the petitioners, it seems to me that Rs 15/- together with the fees paid on occasions of marriage to the Khazi at Rs 2/4/- per marriage, is sufficient remuneration for the Services of the Actg: Khazi & that the rest of the Stipend ought justly to go towards the education and bringing up of the heriditary minor Khazi & the Support & marriage of the minor's Sister left unprovided for by their late father.

The apprehensions of the petitioners that the minor's interests are apt to suffer if left altogether in the charge of the Actg: Khazi, appear to me to be not without reason seeing that the Actg: Khazi has every chance of Succeeding to the office on the death

death of the minor. 828

Which District? of the office?

As the question is one of a religious character affecting provision for the proper education of a minor who is eventually to be the permanent Khazi of an important Mohomedan Centre, the petitioners have appealed to me as the representative of the Mussalmen Community in the Local Council & having duly considered all the issues involved, I have ventured to submit the petition to Government with my support.

I have the honor to be

Honored Sir,

With reference to the Mahazur dated submitted to you by the Muhammadans of Ellore regarding the payment of the Salary sanctioned in G.O. No: 1207 dated 19th May/94 to the Khazi of Ellore, I beg to bring to your notice that Mir Sajjad Ali Saheb the Ag: Khazi taking advantage of the fact that he is allowed to draw the full pay of the office during the minority of the permanent Khazi Mir Bazlai Ali Saheb and hoping also that he, a comparatively young man, of about thirty-five, and the only existing brother of the deceased Khazi, will on the demise of the minor have a good chance of being appointed permanent Khazi, will in all probability neglect the education of the minor and is at any rate not a fit person to have the charge of the minor during the period of his minority.

At the time of the submission of the first petition dated 15th July/93 from the Muhamadans of Ellore to Mr. Robertson, the then Head assistant Collector of Ellore, the mother of the minor was alive, and it was contemplated that she would be placed in a position to duly look after the minor's education, when the salary would be sanctioned in the name of the minor, a portion of Rs 15/- together with the fees paid to the Khazi on occasions of marriage at $2^{R}/4$ per marriage being allowed to the acting Khazi during Mir Buzlai Ali Saheb's minority. But the death of the minor's mother which occurred soon after and the sanction of the whole of the pay in the name of the acting Khazi, have placed the minor's interests in a precarious and even a dangerous position. The inexpediency of placing an orphan minor in the charge of a person whose interests are directly opposed to those of the minor, is so obvious, that the petitioner has little doubt that Government, if duly approached, will not fail to make adequate provision for the education &c of the minor by sanctioning the salary of the minor in his own name or by appointing a Committee or the petitioner (the minor's maternal grandfather) who has no chance of obtaining the Khaziship in any case, to look after the minor's education &c during the period of his minority.

I therefore beg that you will be pleased, as the representative of the

Muhamadan

Muhamadan Community, to place these facts before Government, so that the future of the minor successor to the hereditary office of Khazi of an important centre of Muhamadan population, may not be left at the mercy of a person, whose interests clash so much with those of his charge.

His Excellency The Governor in Council. ~~Fort~~ St: George.

May it please your Excellency.

We, the members of the Mdn: community of Ellore, beg to approach your Excellency with feelings of the most sincere loyalty & respect & tender our heartfelt thanks to your Excellency's Govt: for the appointment it was pleased to make of Mir Bazlur Ali, minor son of the late Khazi of Ellore. We now feel ourselves called upon to represent to your Excellency the fact, that the boon thus confered on the minor Khazi & his family would remain altogether barren of benefit, so long as Mir Sajjad Ali continues the Ag Khazi & in that capacity draws the salary of the post. We beg most respectfully to inform your excellency that when the Mdn: Community of Ellore prayed to Govt: to confer the appointment on the minor son of the late Khazi, it was its object to secure for him the means of receiving religious instruction of a high order & also a decent amount of education in Engl without which it is almost impossible to Carry on any official work.

We beg to represent to your excellency that Mir Sajjad Ali who has been appointed Ag: Khazi is of a very dissolute & profligate character given to all sorts of vices & as such is in no way acceptable to the Mdn: Community of Ellore & quite unfit to fill the place of a religious functionary. And we further beg to submit that if the pay which he claims in the capacity of Ag Khazi is to go to his hands, there is not the slightest hope of the education of the minor Khazi according to the acquirements of its position & the wishes of the Mdn: Community. We also venture to inform your excellency that a Khazi who is not well versed in religious matters & who does not lead a pious life is for all practical purposes a non-entity in Society & we would rather do without a Govt: Khazi than have one thrust upon us who is a disgrace to our Community. We therefore beg to submit ~~that~~ under these circumstances the retaining Mir Sajjad Ali as Ag: Khazi is quite inadvisable & contarary to the wishes of the Mdns: of Ellore & would further deprive the family of the late Khazi & also the Community at large of the boo

that has been conferred upon them, by the appointment of the minor in the place of his father.

We therefore most earnestly pray that Your Excellency will be pleased to see that the pay is given to the minor Khazi so ~~that it~~ may be utilized for his education & his maintenance as well as ~~that~~ of his orphan sisters & we beg to propose that a select Committee be appointed to superintend the education of the minor & also to keep an account of the expenditure incurred, & we sincerely hope that this step is given effect to would be a source of great advantage of the minor Khazi & would be highly acceptable to the Community at large.

In conclusion we beg to tender once more our heartfelt thanks & our feelings of the most sincere loyalty to our benign Govt: & earnestly pray that Your Excellency be pleased to accord favourable Consideration to the Circumstances We have ventured to lay before your excellency.

For which act of charity & benevolence we as in duty bound will ever pray

We beg to remain

& Loyal & devoted Servants

To

W. J. H. LeFanu Esqr.
Collector Godaveri

The humble representation of the Muhamadan Community of Ellore.

Most respectfully sheweth;

That your humble petitioners most submissively & solemnly beg to enter an emphatic protest against any recommendation that might have been made by the Temporary Deputy Magistrate Ellore, for paying all the arrears due to the Khazi of Ellore, to the Deputy of the minor Khazi, as described by the said T. Dy. Magistrate for the following among other grounds.

1. The enquiry held by the T. Dy: Magistrate was not properly conducted. He requested the attendance of a few gentlemen & "such others as desire to advance their opinions" and sent the notice only to the persons named. The gentlemen named attended, a list of whose names together with their official designation is hereto attached for your honor's information. These expressed the views of the respectable Muhamadan gentry of the place showing how in the interests of the minor Khazi & in the spiritual interests of the Muhamadan Community, it is not desirable to entrust the person & education of the minor Khazi to the so called present Deputy. But th [illegible] having someho [illegible] been for

brought forward a number of ignorant Muhamadans and made them say that he was fit person to be the guardian of the minor's person, property & Education. Thereupon the D. Depy: Magistrate concluded that the majority are in favour of the Deputy, without taking into consideration that he did not notify to all the important Muhamadans of the place & without taking into account the comparitively low social status of the persons who spoke in favour of the Deputy.

2. That the appointment of this Deputy was originally made at the request of the Muhamadan Community, who made the nomination under certain arrangements & Conditions settled at a solemn meeting of all the respectable members of the Community.

3. That the arrangements & Conditions were as follows.

(a) That the minor son of the late Khazi should be recognised the spiritual head of the Community.

(b) That Mir Amanullah Sahib alias Fakir Sahib, the maternal grandfather of the minor Khazi should be the guardian of ~~the~~ his person & education.

(c) That Mir Ubidullah Sahib, his maternal uncle, should conduct all religious services as he is virtuous & qualified for performing the duties.

(d) That his paternal uncle Mir Sajjad Ali (the so called deputy) should be in charge of only the recording & registering business, as he is not otherwise qualified.

(e) That Mir Sajjad Ali should receive Rs 15/- out of the allowance of the minor Khazi & that the remainder be placed at the disposal of the minor's grandfather for bringing up the minor & his sister in a proper manner & for liquidating some of the debts of the late Khazi.

4. That Sajjad Ali, the present deputy agreed
arrangements & solemnly promised to abide by

5. That it was with this understanding that the Mohamadan community requested that he should be nominated to act for the minor Khazi during the latter's minority.

919w

6. The Govt: in their proceedings No. 1207 Judicial dated 19 5/94 having in accordance with the wishes of the Muhamadan Community appointed him to act, he now takes improper advantage of the rather ambiguous wording of the proceedings & refuses to abide by the original Conditions on which he was nominated.

7. That the Community have been aware from the very beginning that he was not fit to act as the spiritual head of the Community & that was why they arranged to have Mir Ubidullah the maternal uncle of the minor Khazi for performing the religious part of the duties.

8. That the Muhamadan Community of Ellore therefore most earnestly pray that the whole of the salary and arrears due to the minor Khazi will not be paid to the present deputy & that the wishes of the Community to have their spiritual head properly brought up will meet with your approval & thus bear fruition.

9. That the Muhamadan Community sincerely believe that it is improper & even dangerous to entrust the bringing up & education of the minor to the present deputy, knowing as they do his character & antecedents.

10. That they are prepared to prove to your honor's entire satisfaction if an audience is given to a deputation on their behalf, how unworthy he is to act as spiritual head and to take care of the minor's person & a

11. They therefore pray that your honor will be pleased to personally investigate into the matter, as it is a very serious one, concerning the religious interests of our community of the place & pass orders removing the present deputy, if he should not abide by the original arrangements & appoint the maternal uncle of the minor Khazi to act as Khazi, as he is virtually now performing the religious functions of the Khazi.

12. They further pray that your honor will be pleased to take pity on the helpless condition of the minor & his sister & see that the moneys due do not go into the hands of the present deputy but are placed either into the hands of the minor Khazi's guardian & grandfather or of a responsible committee of respectable Muhamadan gentlemen of the place so that the spiritual head of the community may be so well brought up & educated that he may be fully qualified to discharge his onerous duties.

For which act of kindness & charity your petitioners shall as in duty bound ever pray.

His Excellency the Right: Honorable
The Governor of Fort St: George

May it please your Excellency

Your memorialist, the paternal an
maternal grand father of Mir Bazli Ali mino
Khazi of Ellore and also guardian to the said mi
most humbly begs to approach your Excellency
feelings of the most sincere loyalty and respect a
to represent to your Excellency that, agreeably to a
petition to the District Magistrate Godaveri, for
re-enquiry into the circumstances of the appointm
of the Minor Khazi of Ellore, a meeting of the
Mohammadan gentry of Ellore was held on the 17th
Instant before the Temporary Deputy Magistrat
in charge of the Head Assistant Collector's offi
Ellore in which all the representatives of the
Mohammadan Community of the place expressed th
unanimous opinion, that, if Mir Sajjad Ali, the
present marriage registrar is not content with
a month, in remuneration for his services as such,
should be removed from office, as he is totally unqua
to perform the spiritual functions of the Khazi. You
memorialist also begs to inform your Excellency that
the said meeting the partisans of Sajjad Ali con
of a very insignificant section of the Mohamma
Community ventured to speak in extravagant t
of his character and attainments taking improp
advantage of the ignorance of the Magistrate in
Spiritual matters of the Mohammadans.

Your Excellency would come to understand o
perusing Mr. Robertson the then Head assistant Magi
recommendation to Govt: for the appointment of the
in place of his Father, that it was the unani
wish of the Mohammadan Community

[illegible] should be ursed to the minor, for it was the earnest desire f the Community to secure thereby to the minor the means f his maintenance and Education.

Now as Sajjad Ali does not keep his promise f doing the registering work on Rs 15 a month and taking improper advantage of the rather ambiguous wording f the Government Proceedings, lays claim to the entire salary of the Kazi, your memorialist most submissively nd fervently prays that your Excellency will be pleased see that the said allowance is disbursed to the minor lone, so that, it may be utilized for his Education and maintenance.

Your memorialist further begs to represent to your ✻ charactor and antecedents of Mir Sajjad Ali not only disqualify him from discharging the religious ties of the Khazi, but also disable him from guarding the personal and temporal interests of the minor. Your memorialist begs also to inform your Excellency that the late Khazi Syed Abdur Rahman Sha Khadri was left behind, besides the minor, an unmarried daughter and al o some debts, which he had to incur; and it is but st that the income derivable from his immovable property and the marriage fees, as well as part of his salary should go to liquidate his just debts, and aintain and educate the minor Khazi and his orphan ter who is yet unmarried.

✻ Excellency that the circumstances as well as the

Your memorialist begs leave also to state at Mir Sajjad Ali besides being profligate charactor also an insolvent, having transfered by document l his property to his wife as her dower and as such unqualified to act as Khazi and to become the guardian minor.

Your memorialist further begs to inform your ency that he apprehends serious danger to the person property of the minor at the hands of Sajjad Ali; in case such loss does occur he knows not whether vernment will be responsible for it; your memorialist begs also to represent, that since the th of the late, your memorialist, in the capacity uardian to the minor has been receiving the fees as well as the income deri

Civil suits filed against the minor;

Moreover, it was your memorialist that in the capacity of guardian received the arrears of pay of the month in which the Khazi died, after having been considered the fit recipient of the same

Your memorialist therefore earnestly prays that your Excellency will be pleased to see that the pay due to the minor, is disbursed to him. Your memorialist in the name of the minor and he solemnly promises that he will keep clear accounts of all the income and also the expenses that may be incurred for the maintenance and education of the minor and his sister. Accounts which will be open for occasional examination and if it is deemed necessary, he is ready to keep all his jagirs worth about 20000 Rup as security for it.

Further he begs to submit, that, if Sajjad Ali refuses to be the marriage registrar on Rupees 15 per month, he and his son Mir Obaidulla are prep to see the registering business and the religious functions of the Khazi properly discharged, even with less detriment to the minor's salary.

If however your Excellency considers this inadvisable, your memorialist prays that your Excellency will be pleased to order that the minor's income which is not inconsiderable, to may be deposited with some rich merchant of the place, who may undertake to hold himself responsible fo

Your memorialist also begs to inform your Exc that he submitted a petition of the above purport to District Magistrate Godaveri, but knowing not, whether it will be forwarded to Government, your memorialist has ventured to lay this before your Excellency and most earnestly prays that your Excellency will be pleased to accord it favourable consideration

In conclusion your memorialist most earnestly
