Enclosure no 3
to letter no 498
15.2.95

To

His Excellency the Right Honorable
the Governor in Council,
Fort Saint George.

The humble petition of convict
No 6687 Ambajee Row under sentence
of Transportation for life passed in
criminal appeal no 434/94 on the file of the High Court
confined in the District Jail, Bellary.

I did not commit the offence with
which I have been charged. On
Tuesday the 5th June 1894, three of us
viz myself - 1st class Constable No 458
Fakruddin 2nd class Constable No 196 and
Bandappah 2nd class Constable No 191
were detailed for guarding the Ses-
sions Court. Accordingly we mount-
ed the guard and relieved the three
Sentries who were already on duty.
It was customary to take charge
of the Cash Chest which is placed
there, to receive the 20 cartridges from
the Sentries who relieved, and if
every thing is correct, then to sign a
book called Sentry book. This
Sentry book contains entries re-
garding the cash chests of the Sessions
Court. This Cash Chest, besides cash
contains

contains in it the records of the Police Inspector. This chest has also 2 other smaller cash chests in it duly sealed, belonging to the Sub court and the Muniffs court and both of which are secured in the above box which is locked. Before signing the sentry book, the constable on duty used to see that the two smaller boxes are locked and sealed and that they are kept in another box which should be locked. Whoever receives the keys after the boxes are thus locked in his presence signs the sentry book if everything is correct as entered therein. The keys will then be handed over by the Sentry who was on duty to the Sentry mounting the guard, who will see that the cash chests, their seals, the three carbines and the 30 cartridges are all right before signing the Sentry book. The Sentry will be changed every two hours during day and night and will keep the keys until relieved. If the keys are not thus handed over, the Sentry book will not be signed. This has been the practice before this. Accordingly

on the 12th of June the town of Bandappa
2d Class Constable No 191 was from 6
Am to 8 Am; Ambajee Row myself
1st Class Constable No 458, 2d Sentry from
8 to 10 Am; 2nd Class Constable No 196
Yakoodiss from 10 am to 12 noon. Thus
we have been passing the keys from
one to the other. On the said night,
2d Class Constable No 191 Bandappa
performed the Sentry duty from
midnight 12 to 2 Am. and awoke
me (1st Class Constable No 458)
after the clock had struck 2. I awoke
and saw the cash chest, their seals,
as described above. the carbines and
other articles which were kept there.
All being correct, I signed the Sentry
book; afterwards from Bandappa
the keys & received and went
to sleep. I took my carbine now
and was patrolling outside. Such
being the case, at about 3 o'clock
I observed the Round Head constable
one chauder sahib and 2d class
Head Constable together coming
from the western gate. When they
were coming at a distance of about
200 feet, I challenged. "Visiting Round
Officer

officer" was the reply. I then said "Guard, turn out." When Jakrudin and Bandappa got up, wore their badges and belts and taking their respective carbines (ie Jakrudin Carbine no 225, Bandappa, carbine no 167) stood outside. I said "Advance Visiting Round all is well" The three men who came on round approached the Guard and examined us. I said all was right on the Guard. They found every thing correct and said "dismiss the Guard" Afterwards I showed have patrolled outside. The two relieved sentries went again to bed. The Round officer went to the Guard. There was a light burning near the cash chest of the Sessions Court. The Sentry's book was close by the lamp. The Round officer is to be found every thing correct signed that book, came out and said that he would go. I replied all right; a little time after he proceeded; the clock had struck 3. and then 4. Subsequently

2nd class

2d class Constable No 196 Jakrudin was sleeping outside. I awoke him. He rose, wore his belt and badge and came near me with his carbine and bayonet No 225. I brought a light, unlocked the cash chest, showed him the two boxes (sewed) with their seals, showed also the other Carbines & the other chests. He finding every thing correct, signed the Sentry book. I then told him to go out for patrol and then went to bed. I fell asleep. Accidentally I heard a sound like the shot of a carbine near me. I rose and wanted to say "Guard, turn out" but I could not. I waited a little, rubbed my eyes and not being possessed with sufficient courage either to go out or to go in called out from my bed the Sentry Jakrudin. He gave me no reply. I then turned towards Bandappa who was lying in the direction of my head. There was no Bandappa

I

instantly cried aloud "Bandappa"
"Fakruddin". I was inside at a dis-
tance of 2 or 3 yards a bullet
pierced my left. Immediately
afterwards I lost my senses and
do not know how I fell down.
Two or three minutes after, I re-
covered my senses, opened my eyes
and observed from where I had
fallen. When I heard the sound
of some one talking inside I did
not bawl out. Neither did I call
any one. These men meantime
from inside. Then, from inside
they threw a carbine near me; I
then saw Bandappa going out from
inside. I called him, "Bandappa".
He went away without speaking
to me. Afterwards District Jail
warder Abdul Karim and his
elder brother (1st class Constable)
Abdul Rahiman both came to me,
the former with his uniform and
the latter without, also, the Court
peon Husain Saheb. These three
were talking inside. I then rose
from my sleep. I opened my eyes

and saw. Jail warder Abdul Kareem,
Court peon Husain Saheb, both of
these were inside in front of me.
I asked them for water. In the mean
time Police Constable Abdul Rahi-
man said "we are mussalmans,
we should not pour water, and
there is one of the Telugu caste".
And Abdul Karim and Husain Saheb
said "Pour a little water" Abdul
Rahiman brought the water &
poured it into my mouth, as I
could not go in but came out of
my nose and I felt some difficulty
about my life. These three went
away. Head Constable Shaikshab
then came and awoke me. I then
observed the whole townspeople
standing out. 2nd class magistrate
Bellary Town then came; with him
came Abdul Rahiman again. Then
the magistrate awoke me, I opened
my eyes and saw. "Are you in your
senses" he asked. I asked him for
water. He made a Telugu caste
man pour some water into
my

my mouth. The water could not go in. Abdul Rahiman then placed my head over the step. The Magistrate asked me if I was able to depose. I said I was unable to do so. He asked me to say a little of what I had to say. While I was so deposing, he sat towards my head and was taking it down. At that the Magistrate of the district, the acting Superintendent of Police, and the acting Deputy Inspector General of Police, these three came and stood by my side; and there was a large gathering. It would be about 7 o'clock then. Constable No 191, Bandappa came and stood before the doorway. I asked the Magistrate to take deposition from Bandappa. The Magistrate then asked me as to "where Fakrudin was". I said that I did not know. He then asked Bandappa to depose as to what he knew. He deposed thus:- "I know nothing. I heard the firing of a shot and got hidden into a room inside. A little time ie about 7 or 8

minutes after, I heard another report. A little while after, the sound of Abba! Abba!! and I went out. This is all that I know." The Sub-Magistrate then asked him as to who shot him (Fakrudin), what became of the Constables and who shot Ambayee Row. He replied he did not know who shot or what became of the chests. Then the Magistrate asked me to depose. I said I was unable, but tried. Head Constable Shaik Saheb then took a turban, belt, pouch, cartridges and a small Calendar book from my bed. The acting Dy Surgeon Mr Sowriraswami Pillai came. I asked the men there to count the cartridges in the pouch before the Magistrate and to show them. The Magistrate was then informed and shown the correct number of cartridges that were in the pouch namely 10. The Magistrate asked for the pouches of Fakrudin and Bandappa & he shown. It was said that there were two less in the Fakrudin's pouch and

all

All were right in Ramdeppa's pouch.
Sri Amirthaswamipillai came and
tore my cloth, and tied it round
my thigh, got a bench and laid
me on it and took me to the
Hospital. He there laid me again
on a raised plank. The acting
Superintendent of Police and the
Deputy Inspector General of Police
to followed me to the Hospital
as stood there and ~~said~~ told me that if my
leg would be amputated. "This
by itself is a great trouble to me; please
g don't have it amputated" I re-
7 plied. They gave me some in-
B toxication or other and without
th hearing me Compulsorily amputated
to my leg 4 inches below the knee
he knee, threw away the middle
to portion and preserved the third
th portion including my foot, in
B an earthen vessel for 15 days. On
Ka the expiry of these 15 days, they were
no about to throw the preserved portion.
sh I saw it. It was swelling had
in and black in color. This portion
was

was then thrown away. Residen
the Superintendent of Police and the Dy
Inspector General of Police, the Town
Police Inspector, came to me 8 or 10
days after the occurrence of this case,
saw me and took certain state-
ments from me and detained 3
persons and 1 head constable there
me. Since then, my people were
not allowed to approach me
until the case was tried. On July
4th they again came to me & have my
property searched. "The Government
clothing were taken away by the
Government; my clothing exhi-
biting that which has been torn
is also with you; I have got two
Government coats with me; Except-
ing this, I have none else" I said.
They went away. The search book
does not bear my signature.
On the 2d idem, I was remanded
to the Jail where I was kept in the
Hospital. On 21st July, I was taken
& the Salem Sessions Court to be tried.
In the Course of the trial, the Magis-
trate

trate, the Government Vakil, the Court Inspector and another new Inspector brought Convenant witnesses against them will who, when they said they knew nothing, were instigated by the above men and therefore abetted the prosecution and deposed at their will. I was very ill that day. When I asked them to adjourn my case they said "no" and tried 4 witnesses compulsorily. When I told them that I would engage a vakil, the Magistrate and other above named persons combined together and threatened me thus:- "If you talk again you will have to receive 20 stripes in addition" and tried the case in closed doors. I was consequently disturbed in mind and did not therefore depose any thing before the Magistrate. I cross examined the prosecution witnesses with great reluctance. Shak Shakeb's (Head Constable) deposition was taken; also that of Cumpiah besides the Station House officer

Officer of Bruncpet. I did not cross examine these men, because all of them including the court and the Head Constable examined and cross examined each other at pleasure. I therefore did not examine them at all. On July 25" I was again sent for by the Submagistrate for trial. I engaged a vakil that day. Even that day, Treasury clerk of the Munsiff's court and that of the Subcourts were both cross examined by my vakil during the trial. This would appear on records. On July 29" I was again sent for for trial. I had contracted a loan of 18 Rs from a marwadi by name Mahem Lal, pledging a property of mine worth 30 Rs. I pledged gold jewels worth 150 Rs to marwadi Kesari mall and received 75 Rs from him. I also received 15 Rs in cash, without executing any document. I told him that when I intended redeeming my jewels I would do so after paying the

ninety Rupees (viz 75 Rs remised on
mortgage of property and the other 15 Rs
remised in cash). I then paid 2 Rs
as part payment for the 15 Rs received
in cash. I told him that I had
applied for money to the Fund of
Gowmungappa and would pay
the amount due within a few
days and had thus satisfied him
He keeping with him these jewels
brought a suit against me in
the Moonsiff's Court and got a
decree for Rs 13 only. When the Moon-
siff questioned me I told him that
a meeting would be convened on the
15th January June 1894 at the Fund
premises of Gowmungappa and
Rupees might probably be got
on the 20th or 25th Instant and ad-
mitted before the Court that I
would pay the debt. I received
75 Rs from Marwadi Jutmal by
pledging to him my two houses.
When I told him the same he too
kept satisfied. While enquiring
the case, Rangayya Naidu, Station
House officer misrepresented them
that

that in the month of July I had
been charged with murder and
that their amounts could therefore
not be secured and instigated
them to bring suits in order to
secure their amounts; Magisterial
Summonses were issued on them
and depositions were taken from
them in their favor. They did not
come and depose at their free will:
but they did it at their instigation. I
Marwadi Kesari Mall has deposed
before the Court about Rs 13. At the
instigation of the Police he did
not say anything about the jewels
pledged to him - Besides this, I owe
about Rs 400 and interest to Veeraraj
Marwadi, Sumertah of Marwadi
Ramanarayan in Cowl bazaar
to whom I pledged my gold and
silver jewels worth about 6000
700 Rs. Why this Marwadi has not
been summoned to depose. Moreover, on the 31st Instant the
Fund people were sent for. I
owed a certain Sum to the Fund. The
famine being very severe then

I

I paid within 3 months b the
Fund a moiety of the sum
due by me. The balance
amount due for 2 or 3 months
remained unpaid on account
of famine. In accordance with
the Fund rules a decree was
obtained. I told the court that
I was unable to pay up the
amount but admitted that
the amount would be paid
at a monthly instalment of
one rupee. Accordingly the order
of the court was issued. When
I went to the Fund office to
pay one rupee as directed by
the court, the Fund office people
said that they would not receive
any amount from me unless the
whole sum due by me was paid
up in one lump but that they
would receive this rupee which I
took to them, towards the pay-
ment of ~~interest~~ instalment. I re-
turned with them and a few
days after, I told them that I
would clear my debt in 2 instal-
ments

ments. They agreed accordingly.
Besides, I became a subscriber
for 3 shares in Bruce pet Sah Karan-
Linigappa's Fund. &c. for Rs 300. I
drew ~~about~~ Rs 150 out of the amount
and paid to those to whom I was
indebted. The remaining 150 Rs
and another 50 Rs which I applied
for as a small Lottery loan on the
15th June '94 in all — 200 Rs. I had
arranged to pay my other creditors
within the 20th or 25th of June 1894. I
thought I should pay them after
being relieved from the guard duty.
Such being the case, this Head Con-
table Lampiah Naidu fell on the
knees of the Fund office people sum-
moned them through the magistrate
Court for all big lowcars & the cases
and selected these men as witnesses
for prosecution. On the 31st August
one Bandi Subbanna and 2 all
Sub Peer saheb were sent for, with-
out any summons. They said they
knew nothing they could not come.
Servant after servant was sent
to fetch him but in vain. On the

31st

31st idem, the deposition of assistant
doctor Amirthaswami Pillai was
taken. The Government Vakil asked
the doctor to sit on the chair and
himself sat and also the Police Inspector. They were laughing and
speaking to one another that as
how he could have shot holding
the gun accidentally and the
deceased Jakrudin could have
shot himself in this way. So they
were laughing and taking down
the depositions of the doctor - be-
lieving that the statement given
by the doctor before the Magis-
trate will be believed by the High
Court and Government the whole
has been recorded. The cause of
this doctor having combined with
the above is that his brother Jaga-
nadham Pillai is an Inspector of
Police, Kampli, Bellary Dt. He there-
fore listened to the words of the Super-
intendent of Police and they are
thus yielded to the commission of
these unjust acts. Besides, why
did he not give the statements
before

before the Sessions that which he had
given before the Magistrate. This
you should consider. On that day
there was no dress on; some of
the persons were sent for; none
arrived. Afterwards the Magis-
trate said that it has been proved
by the witnesses that I had com-
mitted murder and dacoity and
that he would commit me to the
Sessions, so asked me to give out
my statements. I said that it was
inconvenient for me to do so here
but that I would do so before the
Court of Sessions. My Vakil ap-
peared only on the 25th and not
on other days. On the 7th August
at the instigation of the Police,
Marwadi Jailor had caused a
Summons to be served on me
in O.S. of 97 on the file of the Dt
Munsiff. On the 10th hearing was
fixed by the Munsiff but the en-
quiry was held at the Sessions.
My Vakil was at the Sessions court.

He

the case was enquired into on the following day also; 12th was Sunday. 13th the enquiry continued. Then Court peon Bandi Subbanna, Zollgate Peer saheb did not attend the Magistrate Court as well as the Sessions Court. Why they did not attend the courts was that they were not under the tuition of the Police. When cross examined by me, there are several discrepancies in the statements addduced by Police Constable Bandappa, Dismissed Court peon Kesanna, Kajah miah, and Husani Saheb. Second witness Kesanna deposed before the lower Court that 3d witness Kajamiah, 4th witness Husani Saheb, Bandy Subbanna, Toll gate keeper, Peer Saheb, me, four, went at 5½ or 6 o'clock to the Sessions Court and saw the deceased and the man shot at the leg from a distance of two yards

yards from the arch. He has deposed similarly before the Sessions Court. Therefore Bandi Subbanna and Toll gate Peersaheb attended neither the lower court nor the Sessions court. I pray that your Excellency may consider all these circumstances. The 4th witness Husani Saheb Court peon deposed in the Lower Court as follows:- While the 2nd and 3rd witnesses have said that they four in all went together and saw the deceased and the wounded. Husani Saheb deposed that two of them, himself and another, saw them from a distance of about 2 yards from the western gate. The 3d witness was not frightened and stood crying a chair - distance away from where they were first standing. As the first 4th witness - Court peon Husani saheb - gave his deposition in

your

in the Lower Court in an insubordinate manner, the Police made him not to attend the Sessions Court. Our vakil asked the Judge as to why 4th witness Court peon Husaini Saheb did not come, he replied that it did not matter if he had not come. While such being the case, 5th witness, Abdul Karim, Jail warder - every day about 20 or 25 warders stand on duty near the Jail. The reason for only this man having come while the other have not, is that his elder brother Dada Saheb has been newly appointed as Head Constable and a second elder brother - Abdul Rahiman - is a first class Constable. At the instance of the Superintendent of Police, the above Constables were ordered to ask their brother Abdul Karim who a witness in the Case. Hence, the presence of this warder as a witness in this

witnesses numbered at first, only 13 attended the Sessions Court at last. While our vakil desired to Cross examine certain witnesses the Judge said "no matter, everything has been already recorded." While he again asked as to why the remaining witnesses have not attended the Court, the Judge asked him to stop there and not to proceed further. Subsequently my statements of the 11th June were read over to me. I observed that they were slightly altered by the Magistrate; and further deposed as to what all had occurred in connection with this case. The Judge said that my original statements will suffice and no further ones need be taken and asked me to hear the Judgment which he then pronounced against me. "The Cases of murder and dacoity brought against you have not been proved. I have therefore discharged you

you; but the 2 assessors say that
even though these 2 cases have
been struck off, a lenient sentence
may be passed, in consideration
of the fact of one of the legs hav-
ing amputated. I will therefore
consider over the matter and then
pass my final judgment. The
judge consulted the Superinten-
dent of Police and passed his
judgment, on the 20th idem that
he has sentenced me to death as
he suspected me of having com-
mitted the alleged crimes and
that I may appeal to the High Court.
In connection with this case, I
have not only lost my leg but
also have been charged with these
false and frame crimes and have
been brought to this fate. My
family and Children have been
starving without food or water
ever since the occurrence of this
crime. I most humbly beg that

yrs

Your Excellency will be pleased to
peruse this my petition with your
kind consideration. The Police
Constables of this District having
found out that there was difficulty
in detecting these cases on
account of their inability cited
as a witness and a few days after,
1st class Constable No 191 Bandappa
produced their charge sheet and
produced me before the Taluq
Submagistrate Court who committed
me to the Sessions, as if the case was
proved against me and justly too
even though it was not, and was
very unjust. The Judge perused
the records of the Submagistrate,
summoned and examined these
witnesses in person, stated that
the case was not at all proved
against me and that he has ac-
quitted me of these crimes. Mean-
while the assessors said to the
Judge that it was an injustice

On

on the part of the Police to bring
these cases of murder and dacoity
against the defendant and that
these have not at all been proved
against him and that a lenient
sentence may be passed. The
Judge said that he would consider
over the matter and still for all
passed the sentence of death on me
which is very unjust. I appealed
to the High Court who sent for 4
witness, 3 carbines, 20 cartridges
and 2 cash chests from Bellary &
also enquired into the case. They
Commuted the death sentence to
Transportation for life. Even the
High Court have not passed a
right judgment in my case. The
fact of the Sub magistrate having
at the first instance committed
me to the Sessions without due
enquiry, the Judges having passed
the sentence of death unjustly and
that of the Honorable Court remit-

ting of Transportation for life, all
these I hereby beg to submit are
very unjust. I am not apt to have
committed such crimes. I have a
service of 7 or 8 years service en-
listment. I have been a first
class Constable. There are no de-
faults against me. If I was really
of such a bad character I
would have not been a first
class Constable these 7 or 8 years.
I have also acted for 4 months
Head Constable. In July last
I was volunteering become a
permanent Head Constable. I
have never done such bad
acts. I was solely depending on
Government service alone for my
maintenance, but never tried
by taking part in the commission
of such improper acts. Moreover
if I should be supposed to have
committed the theft of cash chests
while three of us were on guard
duty

duty, then both the cheats should have been missing. Here would also appear no reasons to suspect me to have killed another man, to have shot my own leg. I have left free 2° class Constable No 191 Banappa who was inside and I have killed m by Fakrudin 2° class Constable No 196 and I have committed such grave acts. I pray that this petition may receive your Excellency's kind consideration and further beg that your Excellency in Council will be most graciously pleased to send for all the records viz those of the Town Sub magistrate the records and the judgment of the Sessions Court, Bellary, all the records of the Honorable the High Court, my statements taken by them and their judgments and send for all the above records and my statements and peruse them with your Excellency's deep and

kind consideration and pardon me and protect me.

SIR,

I have the honour to submit, for the orders of Government, a petition for pardon, together with the marginally noted* papers, from Convict No. 6687 Ambaji Rao, confined in the District Jail Bellary. Effect has not been given to the sentence of transportation passed upon this convict because he has had one leg amputated and because, on a reference to the Superintendent of Port Blair, that Officer stated that a convict thus mutilated would be of no use in the settlement.
