CHIEF OFFICE OF THE INSPECTOR-GENERAL OF POLICE,

No. 1093

Madras, 1st March

1895.

FROM

M. Hammick Esq. M.C.S.

INSPECTOR-GENERAL OF POLICE,

TO

THE Chief Secretary
to Government,
Fort Saint George

SIR,

Enclosures.

I have the honor to reply to G.O., dated 23rd August 1894, No. 2040, regarding the accommodation for Police in the Markapur Taluk office.

2. I regret the delay that has taken place in the matter. But the Superintendent of Police, Kurnool, delayed very much in replying to reference from this office on the Subject.

3. First, I may explain that the Taluk office was built on the Standard plan of Mr. Christolun, apparently slightly altered. It was apparently sanctioned in 1887. (G.O. No. 149 P.W.D., 3rd June 1887). It contains the accommodation for the Police then thought to be necessary viz,—

One Inspector's Room—22' 10½" x 8'
One Arm Room—22' 10½" x 8'
Guard Room—15' x 12'

I do not think the Superintendent can be much blamed for not having represented the insufficiency of the accommodation. He was not Consulted, and although had he been a zealous Officer of an

an enquiring turn of mind, he would probably have satisfied himself as to the accommodation in the building, he may be excused, I think, for considering that a Taluk office, built under the orders of Government, would naturally contain all the accommodation wanted.

4. The new Standard plan sanctioned in 1891 allows ample accommodation for the Police viz,—

Record Room for Station. 8'5½" x 9'3"
 do for Suspects. 8'5½" x 9'3"
 Inspector's Room. 10' x 18'
 Guard Room. 15'6" x 16'
 Place of Arms. 10' x 16'

There is therefore no need to alter the present plan. 5. As regards para 2 of the G.O., I do not think it is necessary to construct a new Police Station for the Taluk Police. My own impression is that in some cases the Police do find sufficient accommodation in the space allotted in the buildings built on the old plan. It may be that, in this case, the Taluk office is so far from the Town that it will be very inconvenient to have the Station there. This I can only tell from inspection. I will ask the Superintendent his opinion on the matter after consulting the District Magistrate. For the present, matters may go on as they are, and if I subsequently find that it is absolutely necessary to build a new Station, I will re-open the question and address Government again.

I have the honor to be,
 Sir,

Your Most Obedt. Servant,

for Assistant Inspector General
 Inspector General of Police.
