Sir,

In G.O. No 372 dated the
15th February 1894, Government was
pleased to extend to the year 1894
its order of the 12th October 1888, No 246
J.D, declaring that "when a ryot in this
District has applied for a license to
possess and transport gunpowder
and fuses for blasting purposes, and
in disposal of his application he shall
be allowed to possess and transport any
such ammunition without penalty".

I have now the honor to request
that Government may be pleased to
extend that declaration to this year.

also, as many applications for licenses
for blasting works in wells are being
received. The water supply this year
is considerably worse than last year.

I have the honor to be
