With reference to his application of the 17<sup>th</sup> ultimo, Elias E. Your Excellency's petitioner further begs to state that if he fails to import the ammunition before the moonsoon he will not be able to do so for a long time as there will be no native crafts running between Bombay & Alleppey during the moonsoon & that Your Excellency's petitioner will thereby sustain a great loss. He therefore most humbly craves that your Excellency will deign to grant him the license & permit prayed for, at an early date. To which act of kindness Your Excellency's petitioner shall in duty bound ever pray.
