Extract from the diary
January 1895 of the Inspector of Police,
Chingleput division.

Constable N^o. 124, Tholasee reported
at the station that the batteries fired
at Vellichy camp and an unexploded
shot dropped down in Ettavakkam village.
One, Govinda Nayakkam picked up the
shot and burst it. He was severely
injured on the hand, leg and mouth,
and had died. One, Ramaswami Nayak,
Bunni Nayakkam, Narayanaswami and
others were injured and the doctor at-
tached to the batteries having seen the
injured persons ordered them to attend
the hospital. The station house officer
examined the body and found no mark
of violence. There were no grounds to sus-
pect foul play and on enquiry it turned
out that an unexploded shot had
dropped down in the village, which
deceased Govinda Nayakkam picked
up. He burst the shot which struck again
his hand, leg and mouth and seven
persons were injured. He deceased on
his death from the injuries received.

FROM

G. D. Forbes Esquire,
Ag: District MAGISTRATE OF Chingleput.

TO

Chief
THE SECRETARY TO GOVERNMENT,
Judicial DEPARTMENT,
Madras.

SIR,

After the recent field practice by the Royal Artillery at Kellichi in the Chingleput taluk, an unexploded shell was picked up by some villagers. On their attempting to break it open, the shell exploded and two of them were in consequence killed, while several others were severely injured. A copy of the police report on the subject is enclosed. I have the honour to suggest that the Military Department be moved to issue orders, which will ensure more careful attention to the guarding of the area under fire and especially that every shell fired be accounted for immediately on the cessation of the practice, field

field parties being sent out ^{diligently} to search
the ground and bring in all unexploded
shells.

I have the honour to be

Sir,

Your most obedient servant

Robert
Ag: District Magistrate.
