Sir,

Referring to para 6 of Government orders
Nos: 2264, 2265 judicial dated 17-9-94, I have
the honour to report that on a careful en-
quiry into the causes of the great delay
in the disposal of cases by the Benches of
Magistrates in the District, I find that the
high average duration of trials mentioned
by Government was due to the delay
in the disposal of vaccination cases
by the Cuddalore Bench. In most of these
cases enquiry appears to have been
adjourned, on the parents of children
concerned urging sickness as an
excuse for putting off their vaccination
and apparently indefinite periods having
been granted to them. The strict instructions
issued by me on receipt of Government
order No: 2702 dated 8-11-94 with I
hope

to put an end to long delay in the disposal of such cases.

2. A large number of cases was also adjourned by the Buddalore Bench for want of quorum. My attention having been drawn to the unsatisfactory attendance of the Magistrates on the Buddalore Bench, I issued a circular pointing out the disadvantages of delay and trusting to the good sense and public spirit of the gentlemen composing the Bench to prevent it by punctual attendance.

An improvement in attendance has since been observable. I obtain every month a statement of cases adjourned for want of quorum during the month and pass remarks on it. I trust to see the improvement maintained. Should my efforts in this direction prove ineffective, I shall address Government with a view to the removal of certain members of the Bench if not its total abolition.

I have the honour to be

Sir,

Your most obedient servant

Mundasa Rao
for Ag. St. Magistrate.
