Sub-Registrar's Office

Kalligudi

24th February 1895

To His Excellency The Governor
in Council Madras.

The humble petition of V. Srinivasalingam

Sub-Registrar of Kalligudi,
Madurai District.

Most respectfully sheweth:

That the petitioner entered Government
Service in November 1880. He has been

from that time doing his duty honestly to the
entire satisfaction of his superiors. The

petitioner has served under two Inspectors-

General & half a dozen Registrars &

won their approbation by his good be-

havior & humility.

In the end of the year 1891 the

petitioner was unfortunately engaged to

Commence a business during his bad time,

he was at first led astray by foolish fear

& the evil advice of false friends. He uttered

a falsehood. He afterwards Confessed that he was wrong & repented & begged pardon. Though the Government say in their order that the petitioner was not actuated by any Corrupt or dishonest motive, still they were pleased to punish him with degradation & suspension for one year. The petitioner calmly underwent the punishment fully hoping that he could gain the good will of the Government & get the punishment altered by his subsequent services.

The petitioner rejoined the Service in April 1893. He was working as earnestly & honestly as before with the sincere hope that God will not abandon an honest man for ever for a single fault. The Inspector General & the Registrars under whom he served pity him for foolishly putting his leg in to a deep mine on account of a single fault of a very petty nature. All of them will, if referred to, say how honestly & sincerely the petitioner has been serving Government & how popular he has been in all the Sub-districts he has been sent.

The petitioner now begs to appeal to the mercy of Government fully trusting that they will show him mercy & grant him pardon once at least in his public career. He begs to state that the suspension for one year which is tantamount to a fine of Rs 1100 is itself a sufficient punishment for a single fault in all the career of his public life. He craves the mercy of Government & humbly begs that he may be restored to his former rank in the list of Sub-Registrars & that the period of suspension may be ordered to count towards pension in consideration of his honest services for the last fifteen years, as promotion in the Registration Department is very slow.

For which act of charity & kindness, the petitioner shall, as in duty bound, ever pray.

C. Chitturam Ayya,
Sub-registrar.

G. No. 1032 dated 8th March 1895
Madras.

Submitted to Government.

2. Petitioner was, under the orders issued in G. O dated 1st April 1892, No. 645, judicial, suspended for one year and reduced from the 5th to the 6th grade for serious misconduct, the facts connected with which were reported in my letter dated 4th ^{March} April 1892, I No. 502.

in No. 645 992.

3. It is true that petitioner has since performed his duties satisfactorily and that the case above referred to is the only one on record against him. His prayer that the period of suspension should be considered as qualifying for pension cannot be acceded to. As regards his request that he should be restored to his former position in the graded list of Sub. Registrars, this cannot also be done, but when the revised scheme of grading of Sub-Registrars, now under the consideration of Government, ^{comes into force,} he may be assigned such place as he may be considered entitled to, considering his length of service, antecedents and subsequent conduct.

Copy of the report put up.

For orders.

As to whether the Ego's recommendation may be accepted? Please see the notice under cover of G.O. of 1 April 92 No. 645 and the facts of the case. He was suspended for one year & reduced from the 5th to the 6th grade i.e. from Rs 40 to Rs 35 (including commission). He is now near the bottom of the 6th grade again, & if he remains in this place, the reorganization of the department will raise his substantial pay from Rs 40 to Rs 70, but he will receive no commission fees. - The S.G.'s recommendation is that he should be promoted a few places when the new scheme comes into effect; - probably so many as would place him in the 4th grade in Rs 85. If H.H. approves, the following order might be made.

Order of 27-3-95 No. 3923/3/95 at the time the Govt. declined to mitigate the punishment inflicted on the petitioner. But the S.G. will be authorized to make any special recommendation on his behalf which he may think desired, when the department is reorganized.

21/3/95
I don't feel disposed to modify old orders in favour of offenders. The man must take his chance.
