CHIEF SECRETARY TO GOVERNMENT,

Dated Madras, 11 March 1895.

SIR,

The Subregistry office at Vadakku Vira-
vanallur in the Tinnevely district is held in a
private building, for which a rent of Rs 4 is paid
per mensem. The District Registrar reports that
the building is incommodious and unsuited for
the purposes of a registration office and that
the Subregistrar and his establishment and
the parties resorting to the office are in
consequence put to much inconvenience. I
found that this was really the case, when I
inspected the office in November last. The
Registrar has accordingly recommended the
removal of the sub-registry office to a more
spacious building and the payment of an
enhanced monthly rent of Rs 8 for the same,
as it is the only suitable building available
for

for rent in the station. He has further proposed in consequence of the high rent of Rs 8, which has to be paid for the building, that arrangements may be made for the construction of a Government building for the Subregistry office. I have accordingly the honor to request that Government may be pleased to sanction the construction of a building for the Subregistry office on the standard plan approved in G.O. dt 13 May 1891, No. 1320 W. The office has a staff of 3 clerks and, though only recently opened under G.O. 30 January 1893, No. 225, judicial, is fast rising in importance, as will be seen from the statistics given below.

Sir,
