C. No. 1315/95.

FOR ORDERS.

In para. 3 of go. of 29th March 1894
no. 765, Judl. mis. the govt. while passing
orders in the case of Manikka Mudr.,
late sub-magistrate of Salem Town, said
"the Board will also consider & pass
orders on the case of Mohori Sheriff.
The gumasta who appears to have assisted
Manikka Mudr. in improperly destroy-
ing the records in certain warrant cases.
Accordingly the Board now submits the
gumasta's explanation with its opinion -
concurring in that of the Collector, that
there are no grounds for further pro-
ceedings. It will be seen that his
explanation purports to this: - that he
prepared the lists for the destruction of
records along with two other clerks, in
the usual course of business in obedience
to the circular orders received from the
Collector and District Magistrates.

and that, even assuming that the wrong list had been prepared by him ^{alone}, the inconclusion ^{of} it of record to be retained must have been due to oversight or inadvertence and ~~was~~ not intentional. The Col. states that the sub-magistrate reports that the list is not forthcoming in his office & that as he ^{can} find no other means of proving the charge against the jamasta, nothing can be done in the matter, especially as he denies the charge against him.

The Govt order intimated the Board to dispose finally of the jamasta's case & there was little of any need for this report. As the Collector points out it is impossible to take action against the jamasta, without the original list of records to be destroyed which is necessary in order to see if the entries were made by the jamasta. Submitted that the following order was sufficient.

Order

The Govt agree with the Board in considering that no further action can be taken against the jamasta. ^{Order} ²¹⁻²⁻⁹⁵

The case is one for considerable suspicion but nothing can be done as there is no evidence of proof 25/3
