OF POLICE,

For order.

Attention is invited to go 218 marg.

As already remarked in that hole,
it seems doubtful if the
cost of the buildings can be
charged under Act III of 1882
& the draft notification now
submitted does not in so many
words purport to so charge
it.

The Krummi station contains 2
H.C.s & 13 C.s; this force was
to go to Pandikkad & a new
station containing 2 H.C.s &
12 C.s was to be opened at
Pallipuram. Now it is proposed
as a mere verbal change, to
transfer the Krummi station
to Pallipuram & open a
new station at Pandikkad.
No changes in strength are
intended so, plainly, the I.G.'s
proposal to transfer one
man from Pandikkad to
Pallipuram should be read
as if the two names were
interchanged. This letter has evidently been
drafted without reference to
G.O. of 18 Mar. 1895, No. 588,
which must have crossed
it.

Orders are solicited whether
the draft notif. should be
approved or whether the I.G.
should be told again that he
may employ the

I don't quite see why the cost of
 buildings should not be paid under
 Act III of 1882, for if we have
 additional Police we must have
 buildings to put them in, & the
 cost of lodging them is part of their
 cost. However we can pay for
 the buildings out of the fines. In
 the meantime the I.G. must
 get the station houses created. If
 he hasn't money the P.W.D. must
 find it, ~~that is the Police Act~~
 for the present we must make
 an exact appropriation later on
 in the year.

I had thought of stopping this
 Bill until I saw what the fines
 will come to. But perhaps the
 Bill (amended as proposed) may as
 well issue at once & the D.H. can
 take its existence into account in
 assessing the fines. The effect will
 be much the same in the long run.

The question of amending Act III
 of 1882 & the Police Act should, I
 think, be taken up again now
 that India has amended its
 Police Act.

additional force at once
 but that Govt will defer
 passing orders as to the
 source from which the
 cost should be met.
 In any case the draft Bill
 is defective as it stands.
 Its application must be
 limited in time by adding,
 after the words "the cost
 thereof", the words "for a
 period of [say] two years".

CHIEF OFFICE OF THE INSPECTOR-GENERAL OF POLICE,
Madras, 20th March 1895.

FROM

M. Hammick Esquire, I.C.S.,
INSPECTOR-GENERAL OF POLICE,

TO

THE Chief Secretary
to Government,
Fort Saint George.

SIR,

Enclosures.

In continuation of my letter, dated 26th February 1895, No. 1011, I have the honor to submit a draft Notification under Section 1, Act III, 1882, charging the additional Police force required for the Taluks of Malavananad and Ernad in Malabar District on the inhabitants of these two Taluks.

2. In my letter referred to I proposed the transfer of the Annamini Station to Pandikad. This must in fact be done - But as this transfer necessitates the addition of no Police to the force in Ernad Taluk and as it is necessary to place additional police at Pandikad in the

the Ernad Taluk, to enable the punitive
tax to be levied in that Taluk. I make
now a change in that proposal. The Station
at Nenmini can be transferred to
Pallipuram in Malanad Taluk and a
new Station can be opened at Pandikad.
It is merely a verbal change to enable
the tax to be imposed in Ernad Taluk.

3. Mr. Proberly, to whom I have
spoken on the subject agreed that the
proposals made are the best that can
be devised. I repeat them here for clearness.

Building a new Station at Pandikad Rs. 3525

Do Do Katakhal " 2352

Do Do Pallipuram " 2802

Total Rupees 8679

The Annual Charge of the Station at Katakhal " 1,153

Do Do Pandikad " 1825

One Constable can be transferred from
Pandikad to Pallipuram. I do not feel
certain that as the new Station house at
Pallipuram will be in place of the Station
house at Nenmini, it can be paid for
from the Punitive Police fund. The orders
of Government on the point will be required.

4. Having been through these two
Taluks with the Superintendent, I am of
opinion that sanction should be given at
once for the erection of the Stations and
the introduction of the new force. The
additional Police are wanted now in the
Taluks. The Taluks are quiet at present
but there are certainly signs that the
relations between the different Classes
are not satisfactory and in my opinion the
sooner the police force is strengthened the better.
I hope that the matter may be treated
as very urgent and the orders of Government
obtained as soon as possible with a
direction that the new force may be
entertained and the Stations built in
anticipation of the levy of the tax.

5. Mr. Proberly is I understand
preparing list for the fines under
the Moplah Act and he is anxious to
know the amount that will have to be
collected under the Punitive Police
Act before finally fixing the amount
of

1. April 1875 No 674
The Govt. resolves, in
the modification of G.O. of 18
March 1875, No. 558, Indl.,
~~to issue~~ to issue
the proposed hotif. (with
the addition, ^{after the words "thereof"} of
the words "for a period of
two years") in the Fort St.
George & Malabar District
Gazettes.

2. It is arguable that the
cost of the buildings required
for the new force could be
recovered under Act III of
1882, but the matter is of
little importance as the
expense ^{ultimately} can be met from
the proceeds of the fines. The
buildings should be taken
in hand at once. It is presumed
that the ~~Govt.~~ has funds from
which to meet the immediate
charge.

3. The D.M. will take the hotif.
into consideration when
assessing the fines.
