W. no. 500 of 1875

Madras District Magistrate

26 February 1895.

From J. Swegg Esquire
Acting District Magistrate
Madras.

To The Chief Secretary to Government,
Judicial Department,
Madras.

Sir,

By a notification dated 22nd January 1879 and published in the Fort-Saint-George Gazette dated the 28th idem, the "Madras Coffee Stealing Prevention Act 1878" was put in force in the Upper and Lower Palnays and Sirumalais in this District, but it has been pointed out by the District Superintendent of Police that it is of very little use if its operation is confined to the Hills because the great bulk of the dealings in stolen coffee is carried on in the villages in the plains near the foot of the Hills. it is there that offences are most likely to be committed.

2 The Lower Palnays Planters' Association has for the same reason requested the extension of the Act into the Taluks of Palni, Periyakulam and Sundjil.

3. My predecessor was disposed to recommend the introduction of the Act only into a belt of low Country round the foot of the hills and not into the entire Taluk, but it is difficult to describe the boundaries of

such a very
fusion, and I beg to recommend the extension
of the Act into the entire Taluks of Palni,
Periyakulam and Dindigul C.

I have the honor to be,
Sir,

Yours most obedient S^t
