To

His Excellency the Right Honorable
the Governor, Madras.

My Lord,

I feel extremely sorry to communicate
to your Lordship, with reference to Proceedings of the
Madras Government No. 2551 of 25th October 1894, Judicial
Department, the failure result of my son-in-law Ghulam
Muhammad in the Examination of Precis writing Higher
grade, Special Test, held in October last, alone which
he appeared for, and at the same time beg respectfully
of your Lordship's benign auspices to receive into
favorable consideration, the grievances already submitted
by me on behalf of my son-in-law, in petition, of 22nd July 1894,
in connection of which the above Proceedings of the Madras
Government has been accorded, and grant such redress as
may be deemed suitable by your Lordship; and while doing so,
it is my earnest desire, your Excellency will also be pleased to
exempt him from the bar of examination rules.

Should this my last prayer be granted I will
consider it an unparalleled blessing and remembrance for me,

and shall feel ever grateful; and this will be the last favor,
My Lord, I may enjoy, at your blessed hands.

I respectfully beg to further state here, what
I consider is necessary to bring to your Lordship's notice
that should your Lordship contemplate to give my son-in-law
an appointment in the Police Department, I pray that both
the Commissioner and Inspector General of Police may
be asked for; under the former, I believe, early compliance
can be required as there is none to wait on him at present
for employment — while such is not the case with the
latter on whom notwithstanding many other candidates,
I hear, even those recommended by Government are
still waiting for chance.

I beg to remain

To

The Honorable

The Chief Secretary to Government
Madras

Honorable Sir,

With reference to G.O. A No. 665 Public Dept.
d/3rd May 1894, I beg to submit a brief history of my son-in-
law's education, and in doing so to state that he is a
grandson of the late Sir Sharf-ul-Quwa Bahadur K.C.S.D.
who on account of his high talent and social position
in the Carnatic family was appointed a member of the
Local Legislative Council by Government. He was
a great advocate of English Education, and notwithstanding
the strong opposition of the misguided and Conservative
Maulvis of Madras, to its spread in the community he
suggested to the then Governor of Madras, Sir William
Denison, to open a school at Mailapur for which
he placed a spacious house of his own at His Excellency's
disposal and also made a donation of Rs 1500 for

deserving of any encouragement or special concession
of Government.

As under the rules my son-in-law is at pre-
-sent qualified for a Sub-Magistracy or a Police
Inspectorship I respectfully request that the
Government may be pleased to appoint him to some
such suitable position in the Public Service.
