Note.
The Dist. Magt. was asked for
a "full report" because it was stated
that the man had become insane "in
"regard to social & political questions
"in connection with the recent hoplah
"outbreak". Particulars of the incidents
that led to his insanity were required
- not a mere report of his health.
The matter, however, does not seem
to be of any importance & may perhaps be
allowed to drop.

Sir,

With reference to your reply N^o 1328, dated the
16th February 1895 to this Office objection slip N^o P.a.D. 447 dated
4th February 1895 regarding the admissibility of asylum
allowance to Medical Subordinates doing duty in the
Lunatic Asylum, I have the honor to observe that
as the Hospital Assistant on special duty at the
Asylum can only be considered as doing duty
and not filling one of the Sanctioned appoint-
ments, the allowance would appear to be in-
admissible to him. I would therefore request
that you will be so good as to arrange for the
amount drawn for January 1895, being deducted
from the Hospital Assistant's bill for the current
month.

The Accountant General

This Hospital Assistant is not "doing duty" at the Asylum but has been posted there for a special duty in connection with the outbreak of Cholera in that institution. He should therefore, I think, be considered to be attached to the asylum for the purposes of G. O. No 129 Judicial dated the 16th January 1885, and allowed to draw the Asylum allowance.

SURGEON-GENERAL WITH THE

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

Judicial DEPARTMENT.

SIR,

I have the honor to state that recently owing to the severe outbreak of Cholera in the Lunatic Asylum Madras an additional Medical Subordinate of the grade of Hospital Assistant was posted to the Asylum as a temporary arrangement for Special duty.

2. This Hospital Assistant drew the Asylum allowance of Rs 15 per mensem sanctioned in G.O. No 129 Judicial dated the 16th January 1885 as he was for all intents and purposes attached to the Asylum and was employed on a Special work.

3. The Accountant-General however does not acquiesce in this view and considers that the allowance drawn by the Hospital Assistant for the month of January 1895 should be refunded. I enclose for the information of Government a copy of his

his letter and of my etc 1328 of the 18th February 1895 to which his is a reply.

4. In my opinion the Asylum allowance is only inadmissible in cases when Hospital & Assistants are posted as reserve Subordinates for general duty for want of any other opening for them elsewhere, but in the present case as the services of an extra Subordinate were specially required to meet the medical requirements of the Asylum I am of opinion that he should be considered to have held a sanctioned & temporary Appointment and as such & should draw the allowance authorized by the G.O. of 1885 quoted above.

5. Should Government agree & with me I request that the Accountant-General may be instructed to withdraw his retrenchment for January 1895 and also to admit the charge for the number of days the Hospital Assistant remained attached to the Asylum in the month of February 1895.

I have the honor to be,

Sir,
