Every letter, whether printed or in manuscript, should be doc-
keted and abstracted on the back;
and the abstract should state clearly the purport of the letter and
not merely its title subject.

Enclosures and statements also, whether sent with letters, or
merely under cover, should be numbered, docketed and abstracted.
The headings of statements should be written in full to prevent
mistakes, (G. O., 8th April 1893, No. 239, Public.)

were candidates for the First Grade, but were found qualified only for the Second Grade.

3. A list of candidates who passed the Examination has, with the sanction of the High Court, been sent to the Superintendent of the Government Press for publication in the next issue of the Fort Saint George Gazette.

4. The large fall in the number of candidates for the Second Grade, is due to the operation of the Rule passed by the High Court debar-
ring matriculates from appearing for the Pleadings Examination from this year. (vide Fort Saint George Gazette dated 16th September 1890 pages 1267 and 1268.).

5. The table given in the margin shows the number of answer papers valued in the several subjects by the Examiners appointed under G.O. No. 2607 and 3231 Judicial, dated 2nd and 6th November 1894.
