No. 1027 of 1895 } from the

Surgeon General.

From

Dated

1895,

FOR ORDERS.

The Surgeon General recommends
the transfer to jail of two accused
criminal lunatics. viz. Malleppa
& Komaran.

2. The first named was transferred to
the asylum under P.O. of 31 July 1894
No 1861, being under a sentence of
7 years rigorous imprisonment com-
mencing from 11 Jan'y 1894. He is
now certified to be sane, his transfer
to the District Jail Bellary (whence he
came) is in accordance with s. 31(2)
of Act V of 1871 as amended by Act
X of 1886.

3. Komaran was transferred to the Asylum
by P.O. of 29 Feb'y 1892 No. 379, the warrant
in which shows that he was under
a sentence of 4 years & 2 months im-
prisonment from 4 February 1891.
His term of imprisonment thus expired
on the 3rd instant, inasmuch as the
period of his stay in the asylum counts
towards as part of his sentence under
sub-section (3) of s. 31 of Act V of 1871.
He must therefore at once be released
with reference to sub-section (2) of that
section.

This paper was detained pending receipt
of the half-yearly report of the official
visitors which was due on the 1st
February, & should have been received

gore Komaran term of imprisonment expired. A change in the clerks - is the reason why it was not brought to my notice earlier as it should have been. The official visitors report shows both these men as sane, but is not put up as it is not yet ready for orders. The case of these two men being clear is marked for C.S. only a course which will prevent further delay in effecting the release of Komaran who has already been in the asylum 16 days longer than he should. The following order is proposed.

C.S. $\frac{579}{18-4-95}$ $\frac{1861}{31-7-95}$
 Order D 20 April 1895, No. 811
