Government Pleader's Office,

MADRAS, 28th February 1895.

No. 194.

From

E. B. POWELL, Esq.,

GOVERNMENT PLEADER,

Madras.

To

THE Chief Secretary to Govt.

Fort St. George.

SIR,

I have the honor to inform you that no maps either of this Presidency, or of the various Districts in it, is furnished to this Office. It frequently occurs that an accused person passes out of one District into another, and is finally captured a long way from the scene of the crime. In such cases a map of the district is of the utmost assistance in understanding the case and in making the Court understand it.

2 In arguing an appeal against an acquittal today, in which the prisoner was charged with murdering a man in the Buddapah district after which he wandered into the Kurnool District and was arrested at Dugli on the Southern Mahratta line, in order that the Judge might

might be able to follow the Prisoner's movements correctly,
I had to tear a map out of an old Railway Time Table
and after a somewhat laborious reference to the maps
attached to the District Manual to indicate on the
Railway Map the course pursued by him.

A good map of each District showing if
possible the Magistrates' Courts and Police Stations would
be of great service.

I have the honor to be,
Sir,
Yours most obedt. Servt.,
M. V. V.
Government Pleader.
