No. 391
 Civil

District Court of South Malabar
 Calicut, 26th February 1895

From

R. S. Benson Esquire, M.A., LL.B., Barrister at Law,
 District Judge, South Malabar
 Calicut.

To

H. W. Foster Esquire,
 Registrar, High Court,
 Appellate Side, Madras

Sir,

In my letter No. 404, dated the 27th
 February 1893, I asked the High Court to ob-
 tain the sanction of Government for the con-
 struction at the public cost of Vakils' Chambers
 in connection with the civil courts at Palghat.
 In reply the High Court in its Proceedings dated
 28th April 1893, No. 1298 was of opinion that the
 work should be left to private enterprise. With
 this view the Government concurred. Vide its
 Proceedings of the 22nd August 1893, No. 1698, Ju-
 dicial.

2. Ismail Sahib of Palghat now offers
 to construct the chambers at his own cost
 if Government grants the necessary site.
 The proposed building will be a substantial
 two-storied one and will afford sufficient
 accommodation for 30 vakils (vide the
 accompanying plan (A) and the copy of the
 specification submitted by Ismail Sahib.

* To be returned.

The

The conditions under which he is prepared to undertake the work are embodied in his letter to the Sub Judge of Palghat dated 15th February 1895, a copy of which is also enclosed. The sub judge and the bakils approve of the contractor and of the terms offered. The terms appear to me reasonable.

3. I have in consultation with the Sub Judge of Palghat and after personal inspection selected a site on the eastern side of the Court compound marked x y in the accompanying plan (B).

4. I have the honor, therefore, to request that you will be good enough to obtain the sanction of Government for the construction of the building on the said site by Dornail Sahib on the terms stated in his letter. As it is desirable that the work should be completed before the monsoon sets in, I request that early sanction may be obtained.

5. I may add that I consulted the Executive Engineer as to whether, in his opinion, any alterations or additions were necessary in the specification or the plan of the building. He approved of the former, but suggested a slight alteration in the latter. This has been adopted in the plan now submitted.

I have &c
(Signed) R. S. Benson,
District Judge.
