Forwarded to the Supt. Engineer III Circle
for scrutiny and countersignature to the estimate.
2. It is observed that no report accompanied
the estimate, as required by para 7 Chapter VII
Vol. I P.W. Code.

3. Several errors and omissions in the
detailed quantities have been rectified in this
Office, as shown in pencil, and the amount of the
estimate has been increased from Rs 5020 to Rs
5,190.

4. No provision has been made in
the estimate for wall plates to joints in
basement floor and for bed plates to tie beam
nor for a planked ceiling under the Mangalore
tiles. These points should receive attention.

There is too much building below ground.
It would be better to make the foundations

SIR,

Enclosures.
One.

With reference to your memo No. 306 (Judicial) dated 15 February 1895, I have the honor to state that the Superintending Engineer, 3rd Circle, reports that the original estimate for Rs 5020 for the reconstruction of the Police Station House at Brucepitta, Bellary, transferred to the Public Works Department with G.O. No. 1403 dated 8 June 1894, J.D., was revised for the reasons contained in the Chief Engineer's memo No. 23, dated 27 June 1894, a copy of which is herewith. The increase in cost in the present estimate owing to its revision and providing at my instance a rack for arms, amounts to Rs 430.

I have the honor to be,

C. No. 302, 740 + 1775/95.

FOR ORDERS.

In G.O. of 8 June 1894, No. 1403, Tudd, Mr. Gout approved the Sg's proposal to reconstruct a Police station at Brucepatta in the Town of Bellary & transferred the plan & estimate (amounting to Rs 5020) to the P.W.D., with the remark that the plan & estimate should not have been prepared without the sanction of Gout.

In Jan'y. last Mr. Hammick again submitted plan & estimates for Rs 5450 for the same work & requested sanction therefor. As it was not clear why fresh plan & estimates were prepared & sent a second time for approval, the Sg called on to explain the matter in Refce. of 15.2.95 No. 306, Tudd. In No. 1775/95 he explains the increase (5450-5020) of Rs. the revised estimate is due to the necessitated by several innovations

in the original estimates & if the supply
at the Lg's instance of a rack for
arms. Perhaps the revised plan & estimate
may now be approved & transferred
to the P.W.D.?
