Political Department, Calcutta.

Sir,

We have the honor to forward herewith a file of correspondence that has taken place between ourselves and the Deputy Commissioner of Police, and Inspectors of Arms and Ammunition Madras, and the Commissioner of Police, Bombay with reference to the reshipments of Caps from Alleppy to their original owners in London in doing so to state that we have sadly been put off for a long time from the reshipment of Caps to London for want of an authority to do so we have from the beginning been under correspondence with the authorities of the Western Coast, to grant us permission to reship the Caps from Alleppy to London or from Alleppy to Madras; but either of them has not been permitted but has agreed to grant us permission to export Caps from Alleppy only to Bombay; at this instance we

have

have applied to the Commissioner of Police Bombay
to grant us a License to import caps from
Alleppey to Bombay and to export them from Bombay
to London in reply we were informed that he
is not authorized to issue export Licenses for
Ports other than those mentioned in Rule 6, of
the Arms Act Rules and that it is not
necessary to import the caps into Bombay
for the purpose of exporting them to London and
that we can export them from Alleppey to
London under a License from the Government
of India a transshipment License being
obtained at Bombay if necessary in case
the vessel carrying the consignment is changed
at that port.

At the instance of the Commissioner of
Police, Bombay we shall feel greatly thankful
to you if you will be so good as to favourably
consider our this subject, and permit us as a
special case to export these caps direct from Alleppey
or through any other source to their owners in
London Messrs. Francis James & Co. in this respect
Messrs. Andrew & Co. of

of Alleppey who are now the holders of these
cases of caps, will export them on our behalf to London.
Again begging for a favourable consideration.

Sr.

The Deputy Commissioner of Police and
Inspector of Arms and Ammunition
Madras.

Sir,

We have the honor to bring to your notice
that our London Agents Messrs. Francis James & Co.
have consigned to order by order and for Account
and risk of Hajeer Fakker Mahomed Qander
Maidan Ramthier of Tiruvandram to the port of
Alleppey the following cases of Percussion caps per
Steamers named below.

2 Cases per S. S. "Dinsara"

4 Cases per S. S. "Maccara"

These shipments have been made on 12th May 1892, and 17 March 1892 respectively against the said party's orders dated 20th and 18th October 1891.

The party now having failed in his business has not taken up these Bills against the said packages lodged with the Agra Bank and the National Bank Madras.

Several warnings have been sent to him to take up the bills at once, both by our London friends, and by ourselves directly, and through our solicitors, as duly constituted agents; none of them has made any material good as yet.

Finding that this man is not in a position to take up the Bills himself, we have been required by our London Agents to take up the Bills from the Banks, and to take possession of the cases either for sale of them at Madras at the consignee's risk and cost or to reship the cases back to London.

To adopt the former method of suggestion we have applied to Messrs. Andrew & Co. of Alleppy who are now the holders of the cases on behalf of the Banks to ship them to Madras, and have also handed them all the

regret to state, that we were informed that the Travancore Government object to permit them to ship Cases from Alleppy to Madras.

Since on receipt of this unfavourable reply we have applied to the Dewan of Travancore Government, to kindly permit the cases to be shipped from Alleppy to Madras as a special case, representing to him, all the facts very closely still we regret to state that permission was not given us for reshipment to Madras but has consented for permission for reshipment to Bombay from Alleppy.

With reference to the above statements we very much regret to inform you that by not permitting us to import the cases to Madras we are sorry that we are only creating an heavy loss to our London Agents as every day the cases lie idle means damage for them.

We really do not see why these cases containing Cases, should be shipped from Alleppy to Bombay.

Alleppy is under the orders of the Government and will be much easier for this Government to pass orders re this and

and again if the cases are as directed by the
Deans of Travancore be shipped to Bombay
it will be a rather difficult task for us to secure
a License dealer there as the Consignee and
as reshipper to Madras this procedure will
necessarily advance the expenses upon a Consignment
which is not likely to realise its original value.
Under these circumstances we shall feel
greatly thankful to you if you will be so
good as to address Government on this
subject, and permit us as a special case
to import these cases from Alleppy to
Madras for sale if possible or for reshipment
to its owners in London.

You will forgive us when we say that it
is not fair to us merchants to place
such obstacles as has been placed by the
Authorities of the Western Coast.

We are well known to you & you know that
we will not ask you to do any thing was
illegal or improper and we + + + +

We

we hold ourselves responsible that should the Govern-
ment be pleased to permit us to bring this Consignment
to Madras that we will show you or your subordinate
officers the contents of the packages, and request you
from time to time the retail or wholesale disposal
of these Caps.

Again begging for a favourable reply.

will avail yourself to import the cases in Bombay

The Commissioner of Police. Bombay

Sir,

We have the honor to forward herewith a copy of letter addressed to the Deputy Commissioner of Police and Inspector of Arms and Ammunition Madras in doing so to state that notwithstanding the closest representations made to that officer for import permission of the cases of Caps to Madras either for sale in this city or for reshipment to their original shippers to London we have sadly been disappointed of our expectations, and were directed to avail ourselves for reshipment of the cases to Bombay.

With reference to the order passed upon our petition we have no other source, but reship the cases to Bombay and in its connection we have to request you to kindly grant us a License to import these cases of Caps from Alleppy to Bombay in favour of Messrs. Allibhaijee & Co. being our corresponding firm here at Khotha Bazaar and also to grant a License to them to export the cases from Bombay to their original shippers Messrs. Francis & Co. London.

The

The authorities of the Western Coast have already consented to grant us or our Bombay firm a License to export cases from Alleppy to Bombay.

With your consent to grant the required import and export Licenses, we shall direct our Bombay firm to apply to you directly in their name if necessary.

We beg to add that we are Licensed dealers in Arms and Ammunition at Madras.

Again begging for a favourable reply.
