To, The Chief Secretary to
Government, Judicial Department
Madras.

Sir

Adverting to para 2 of
G. O. No 2518 dated 20th
October 1894, judicial, I have
the honor to report as follows:-

2. The maximum and the average
population of the two subjails at
Maralipatam and Bezawada
referred to therein are given in
the margin as far as they are
available.
3. There are altogether 8 Stationary
Sub Magistrates' stations in the
District each of them having a
Subjail. In six of them I have
ordered that the warders' duties
should be done either by the
Stationary Sub Magistrates from

1893	Maximum & daily average	22	8.84	8.8
1892	Maximum & daily average	14.95	9.90	9.90
1891	Maximum & daily average	48	8.43	6.96
1890	Maximum & daily average	39	10.23	46
1889	Maximum & daily average	24	12.15	33
1888	Maximum & daily average	106	15.70	106

Not available records having been destroyed

Maralipatam
Bezawada

by one sent from the Salug Establishment.

In Masulipatam and Bezawada whatever peon is detailed as Subjail warder his whole time will be occupied in those duties, and the Stationary Sub Magistrate will have to be content with only one peon to attend on himself. This I submit is insufficient. Putting aside a peon's ordinary duties such as carrying messages and papers, taking letters to & from the post & so forth, in these Municipal towns of Masulipatam & Bezawada, the Stationary Sub Magistrate finds it necessary every day to inspect streets, markets, sites of offences, sulphur & gunpowder shops & the like; and he has a thousand & one duties of a miscellaneous description when the attendance of a peon is essential. For all this one man is insufficient.

4. Nor can I better matters by detaching a Salug peon to do warders' work. The Salug peons in Bander & Bezawada Salugs always had a very full quota of work, owing to the size of the Head Quarter stations, the numbers of

travellers passing through & other persons I need not detail. I have now very considerably increased their work by cutting down the process establishment entertained for collection of revenue. It will now be necessary for the Salug peons to undertake a very large share in the business of collecting Government revenue, a business, which owing to recent changes in Shikari Administration & other things has become many times more onerous than it was a few years ago.

Under the circumstances I trust that Government will sanction the entertainment of a special warder peon for the Masulipatam & Bezawada Subjails.

I have the honor to be,

Sir,

Your most obedient servant.

FOR ORDERS.

In para 2 of P.O. of 20.10.94 No. 2518
Govt, while inclined to think that no case
had been made out for the entertain-
ment of special warden peons at
the Masulipatam & Bezvada sub-jails,
informed the Dist. Magistrate that if he
remained of the same opinion he might
address Govt again giving particulars
of the maximum & average population
of the two sub-jails during the last
six years.

2. In C. 521 the Dist. Magistrate accordingly
addresses Govt again upon the subject.
He gives statistics of the population
in these sub-jails from which it will be
seen that in 1893 the daily average
population in Masulipatam sub-jail
was only 8.84, the maximum on any one
day being 22, while in Bezvada the
corresponding figures were 8.8 & 19.
He contends however that the whole
time of a peon detailed to act as sub-
jail warden will be occupied with his
duties as such, & it is on this contention
that he bases his demand for a special
warden-peon.

* para 4 of his
letter in P.O. of 20.
10.94 No 2518

3. Mr. Cardew originally pointed out
that the duties of a warden-peon consist
"only in the distribution of food, the regulation
of labour and the supervision of the
warden-peon."

Submitted are not such as to occupy
the whole time of one man in a subail
where the average population is 20
low as in Masulipatam or Bezawada.
A certain portion of his time would be
at the disposal of the stationary sub.
maybe who might, it is submitted, very
well be content with one extra full
time peon in addition.

peous.
