ORDER—dated 7th May 1895, No. 941, Judicial.

The following notification will be published in the *Fort St. George Gazette* :—

NOTIFICATION.

In exercise of the powers conferred by section 8, clause (1), of the Petroleum Act, XII of 1886, the Governor of Fort St. George in Council is pleased, with the previous sanction of the Governor-General in Council, to substitute the following rule for Rule 11 of the rules framed under section 8 of the Act to regulate the importation of petroleum by sea into the Presidency of Madras :—

" When petroleum is imported in bulk, its removal from the ship shall be effected by means of a hose and a wrought-iron pipe and it shall be pumped into storage tanks. The discharge shall be continuous day and night until completed, weather and appliances permitting. When working at night the electric light only shall be used, and when the ship has finished discharging, the pipe to the storage tanks shall immediately be emptied by means of a supplementary pump on shore. If for any cause the discharge of petroleum is at any time suspended, arrangements must be made by means of a valve for effectually preventing any of the oil left in the pipe from escaping.
