*Proceedings of the Madras Government, Judicial Department,
26th September 1861.*

No. 161. Read the following letter from Lieutenant Colonel W. H. HORSLEY, Chief Engineer; to J. D. SIM, Esq., Secretary to Government, Public Works Department, Fort Saint George, dated Chepauk, 17th September 1861, No. 4,976.

Enclosures 6.
1 Letter from District Engineer, No. 60, dated 25th June 1861.
1 Do. from Collector, No. 449 A, dated 1st July 1861.
1 Do. from Inspector General of Jails, No. 366, dated 10th August 1861.
1 Plan 2/3736/61.
1 Abstract Estimate, Rupees 1,200.
1 Do. „ 120.

With reference to paragraph 2 of the Proceedings of Government, No. 549, dated 18th March 1861, I have the honor to forward, for submission to Government, a plan and two Estimates amounting together to Rupees 1,320, for the undermentioned works, in the District of Tanjore, viz :—

	RS.	A.	P.
1st.—For refflooring the Ramparts of the Citadel with brick jelly in chunam, and for making other improvements to the Jail at Tranquebar...	1,200	0	0
2nd.—For repairing the Ventilators of the Jail Hospital, and making certain alterations in the Quarters occupied by the Jailer...	120	0	0
Total Rupees.....	1,320	0	0

2. The District Engineer submitted Estimates for three kinds of flooring or covering for the Ramparts as per margin, and the Inspector General of Jails, to whom the matter was referred, agreed with me that the one amounting to Rupees 975, which provides for paving the Ramparts with brick jelly in chunam, was that which should be adopted, and in this opinion the Sessions Judge also concurs.

3. The Estimate of Rupees 114, alluded to by the District Engineer being for additions to the Civil Court House at Tranquebar will be submitted to Government after the approval of the Sadder Court has been obtained.

4. The accompanying Estimates have been examined in this Office and found correct. The rates given in them are those ruling in Tanjore, and are sufficient to carry out the proposed work, I have the honor therefore to recommend that Government will be pleased to sanction the Estimates for immediate execution, the total amount, Rupees 1,320, to be defrayed from the General Funds at the disposal of the District Engineer for expenditure during the current Official year.
