on any bad point. In complaining
Capt. Farnside is not in the
I. G. Dept. - He is waiting
but medical matters but
not medical matters with
which the I. M. Dept. have to
do. The Surgeon Genl and the
Sanitary Com^{tee} have nothing
to do with the health of India.
He put me to rest. The I. G. complaint
is that the paper was sent on
to India without giving him
any opportunity to criticize
it. But as Genl is not taking
any action on the paper
whether the I. G. or Capt. Farnside
is right is a matter of no
account just now.
