*Proceedings of the Madras Government, Judicial Department,  
21st November 1871.*

No. 46. Read the following telegram from PERIA JEEAR, Tripatty, to the Government of Madras, dated Tripatty, 20th November 1871 :—

I submit, on behalf of Hindoo community, that the execution of the order throwing open the sacred hills to the access of Europeans may be suspended. This right is the constituted heads of the Vishnavas to preserve the hill and pagoda—a right which has been preserved through ages—a right has been acceded to by even the arbitrary rule of the Mahomedans. I submit that this Government will be pleased to give a hearing to me as the constituted local head of the religious sect for whose benefit the institution exists, before this right, to which the community has clung through ages, confirmed as it is by solemn character of English Government, is assailed. The contemplated injury, if once done, can never be completely redressed. The Collector has given notice of entry to-morrow, the day after. Suspension of the order is earnestly and most respectfully prayed. Reply prepaid for twenty words.

No. 47. ORDER THEREON, 21st November 1871, No. 1567.

Ordered that the following Telegram be despatched in reply.

“The Government must adhere to their order. The intention of Government is that only occasional visits should be paid to Tripatty Hill by European Officers of the Police and Magistracy, and not that they be visited by Europeans.”

(True Extract.)

R. S. ELLIS,  
Chief Secretary.
