No. 99. Read the following letter from the Inspector-General of Jails, to the Acting Chief Secretary to Government, Fort St. George, dated Ootacamund, 12th June 1871, No. 102:—

2. Mr. Grimes now reports that he is satisfied with Mr. Fox's qualifications, and he recommends his employment on the permanent establishment as Farm Bailiff on a salary of Rupees 50 per mensem with free quarters, and a commission of ten per cent. on the profits after deducting cost of tools and seeds and the value of labour; this last deduction will prevent the employment on the Farm of more prisoners than are really required. The Superintendent proposes that the Farm Bailiff should form part of the permanent establishment, because it will give him a better position with respect to the other jail servants.

3. The purchase of a small stock of cattle and sheep is also advocated by Mr. Grimes, because it is desirable that the character of the manure which hitherto has consisted entirely of poudrette should be varied. The Farm will supply a sufficiency of fodder, and it is expected that there will be a ready sale for the meat.

No. 100. ORDER THEREON, 20th June 1871, No. 821.
