Proceedings of the Madras Government, Judicial Department,

3rd April 1872.

No. 70. Read the following letter from the Judges of the Madras Court of Small Causes, to the Acting Secretary to Government, Fort St. George, dated Madras, 11th March 1872, No. 46:—

With reference to the Order of Government, dated 29th February 1872, No. 255, we beg to state that the small reduction of fees proposed will not, in our opinion, materially affect the business of the Court. Should the business, however, hereafter require it, all that would be needed would be two or three additional Clerks at a cost of, say, Rupees 70 (15 + 20 + 35) a month. At present the chief administrative work of the Court devolves on Mr. Maskell, the Clerk and Officiating Fourth Judge, and Mr. Runganada Moodelliar, the Assistant Clerk. If the judicial business increased beyond the convenient control of the three Judges, some of the suits for sums of Rupees 10 and under could be turned over to Mr. Maskell, the First Judge having power by law to arrange and distribute the suits and general business of the Court among the various Judges; and some of his administrative duties could be performed by Mr. Runganada Moodelliar, who should in turn be assisted by an additional Clerk; and two other Clerks at most would be needed to get through any extra minor clerk work which might be thrown upon the establishment.

No. 71 ORDER THEREON, 3rd April 1872, No. 479.

The following Notification will be made in the Gazette:—

"Under Section 21 of Act IX. of 1850, the Governor in Council is pleased to direct that the Institution Fee in the Madras Court of Small Causes be reduced to one Anna in the Rupee on all suits for amounts exceeding 200 Rupees."

2. The Government will be prepared to consider the propriety of a small increase to the establishment of Clerks, should the foregoing change necessitate such additional expenditure.

The increase that may be necessary, by increase of multi assignment or reduction of fees is small. I think the new scale may be sanctioned.
