Secy's perusal.

Memorandum:-

G.O. 8th May 74 No 850
Jude

As it is thought that the
reply to the Govt. of India on the
subject of the Press Police Regi-
-tration Bill may be sent direct
from the Secy Office, on receipt
of the High Courts & Police
Magistrates' reports on the Bill.
The following points are
noted for consideration
in disposing of the papers:-
(1st) - That, with reference to
para 2. of the Govt. of India's
letter received in G.O. 8th May
'74 No 850, it should be ^{intimated} ^{to the Govt. of India} ^{that} Sections 13 & 14 of the
Madras Police Act VIII of
1867, which the Bill does not
propose.

proposed to repeal, the
extent of the Police Magistrate's
jurisdiction in the Towns
of Madras, greatly exceeds
that of the corresponding
Courts in Calcutta and
Bombay.

(2^d) - That if, on further
consideration it be determined
by the Committee that Chapter XXII
of the Criminal Procedure Code
should be included in the
First Schedule annexed to
the Bill, as suggested by
the Hon^{ble} the Attorney General,
the extension of that Chapter
to the Colonies will super-
sede the provisions of Section
14 of Madras Act of 1867
which Section should,
therefore, be included with
this

the several other sections of
that Act which are entered
in the Second Schedule (of
 enactments to be repealed).

(3^d) The remark made by
the Hon^{ble} Mr. Hobhouse
when he introduced the Bill -
viz that "if there was any
part of the Criminal proce-
dure of Police Magistrates
in the Pres Towns which wd
be left unprovided for by the
present measure we must
call the attention of the Police
Magistrates to it, & ask them
what it was which went
on in their Courts in those
parts to which they wd not
find a guide in the present
Bill."
