*Proceedings of the Madras Government, Judicial Department,
25th November 1875.*

Inquests.

No. 116. Read the following letter from J. H. GARSTIN, Esq., District Magistrate of South Arcot, to the Hon. D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort St. George, dated Cuddalore, 13th November 1875, No. 117:—

I have the honor to forward, for the information of Government, copy of a letter dated 10th instant, No. 81, from the Assistant Magistrate, and of the enclosure, reporting the occurrence of an accident, terminating fatally, to one Jaganatha Sing, a Kanakapillai, employed in the South Indian Railway within the limits of Tripapuliyoer near Cuddalore, on the afternoon of the 3rd instant.

2. The accident was the result apparently of the deceased's attempt to climb into a wagon while in motion.

3. I would suggest that a form of inquest report be prescribed by Government for use on all occasions. A simple form such as the subjoined would perhaps do:—

Report of Inquest.

Name and Parentage of deceased.	Village.	Taluq.	Date of Death.	Date of Inquest.	Cause of death with opinion of the persons holding it, whether it was accidental or otherwise, with remarks as to appearance of body, &c.

To be signed by the Officer in charge of the Police Station, or by the Village Head, and two or more respectable inhabitants, or by a duly authorized Magistrate (if such officer holds the inquest under Section 135.)

4. If the inquest is held by a duly authorized Magistrate under Section 135 of the Code of Criminal Procedure, the evidence recorded would either form an enclosure to the report or be recorded on the face of it according as the case seemed one demanding further inquiry or not.

From J. THOMSON, Esq., Assistant Magistrate of South Arcot, to J. H. GARSTIN, Esq., District Magistrate of South Arcot, dated Cuddalore, 10th November 1875, No. 81.

I have the honor to report to you, for the information of Government, the occurrence of an accident, terminating fatally, to Jaganatha Sing, a Kanakapillai, employed on the South Indian Railway, which happened at the 125th mile within the limits of the village of Tripapuliyoer in this taluq on the afternoon of the 3rd instant.

2. From the inquiries I have made I find that this man was accompanying, as in charge of, two wagons laden with bricks from the Guddilam brick-fields proceeding towards Cuddalore. Each wagon was propelled by five coolies and Jaganatha Sing's duty was to accompany these wagons, but not to ride in them. The coolies of the first wagon were aware of nothing regarding the mode of the accident's occurrence till they heard a cry of pain from him, and when they thereon went to the front they found him lying across the right rail. He was picked up and conveyed to the hospital.

*Proceedings of the Madras Government, Judicial Department,
25th November 1875.*

3. A copy of the certificate given by the Zillah Surgeon is enclosed.
4. The man's own statement as to what had befallen him was that he fell before the wagon when attempting to get up to ride on it. How the circular wound in his thigh was caused does not well appear: Mr. Baggallay thinks by the point of the shears on which the axle plays.
5. The man's own act was the cause of his death. No *post-mortem* examination was considered necessary, and I permitted his body, after I had seen it, to be removed by his relatives.

No. 117. ORDER THEREON, 25th November 1875, No. 2485.

The Government decline to prescribe a form of report in the case of inquests. A tabular statement to be filled in by the Village Curnam would lead to the work being turned out in a perfunctory manner. The present Panchayatnámás are not the worse for their minute diffuseness.

(True Extract.)

Chief Secretary.

To the District Magistrate of South Arcot.

Encl. T. O'Connor.
