Copy of a wrapper (Form B) for your local series is also annexed.

4. As regards the departments of the Government of India and the Secretary of State for India, entered in the List B accompanying this letter, I am to intimate that the copies intended for them will be furnished by this department from a store to be maintained here by it.

5. To enable the Governments of Bombay and the North-Western Provinces to comply with the similar instructions which are being issued to them, I am to request that you will cause to be sent to those Governments, if possible before

No. 47. From G. C. WHITWORTH, Esq., Acting Under Secretary to Government, Judicial Department, Bombay, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Bombay Castle, 11th January 1876, No. 228.

The Superintendent of the Government Central Press, Bombay, having been entrusted by this Government with the distribution of the Indian Law Reports, I am desirous to request that you will be so good as to cause the copies of the Madras Series of the Reports, intended for this Presidency, to be sent direct to that officer.

*Proceedings of the Madras Government, Judicial Department,
4th March 1876.*

No. 48. ORDER THEREON, 4th March 1876, No. 422.

The Government of India have resolved that a complete series of Indian Law Reports, comprising the Bengal, Madras, Bombay, and Allahabad Reports, shall be stitched together into an appropriate wrapper (Form A), and furnished thus complete to the several Departments, Courts, and Officers of Government, in lieu of the local series at present furnished to them.

2. The Government of India, in the Legislative Department, have resolved further to arrange for the distribution of the complete series to the Secretary of State, the Government of India, the Government of Bengal, and the minor Administrations (List B), leaving the Governments of Madras, Bombay, and North-Western Provinces to arrange for their own local distribution.

3. In pursuance of the general scheme, the Government of Madras are requested to arrange, over and above their own requirements, for the despatch, if possible before the 1st of each month, of their local series as follows:—

	Copies of Madras Series.
To the Government of India	1,100
" " of Bombay	*402
" " of North-Western Provinces	195

* To be despatched, as requested, to the Superintendent of the Government Central Press, Bombay.

The copies to be thus supplied to the above-mentioned Governments will have no wrapper, but a simple fly leaf of colored paper with the title "MADRAS SERIES" printed in the middle, the words "INDIAN LAW REPORTS" being printed at the top, and the name of the printer at the bottom of the fly leaf.

4. To enable the Government of Madras to meet its local distribution, and maintain (as suggested by the Government of India), a stock of fifty copies of the complete series in the Library attached to the Chief Secretary's Office, to cover contingencies and for sale to the public, it is proposed that this Government shall receive, as soon as possible after the 1st of each month, the following:—

	Copies.
From Government of India, Bengal Series	130
" " of Bombay, Bombay Series	130
" " of North-Western Provinces, Allahabad Series	130

5. This number, it is observed however, has been calculated according to List A, which provides, among other Judicial Officers, for four District Munsifs only, viz., the District Munsifs of Tripatty, Palaveram, Sholinghur, and Chittoor; but there are 113 District Munsifs in all in the Madras Presidency, and it seems proper that all the Munsifs should be supplied with the Law Reports equally with the four entered in the list. In arranging therefore for future distribution according to the annexed revised list, 109 additional copies will have to be supplied by the other Governments of their series, as well as by this Government of its own series. The Government of India will accordingly be requested, in lieu of the scale mentioned in the above letter, to arrange for the following scale of supply:—

	Copies.
From Government of India, Legislative Department, Bengal Series	239
" " of Bombay, Bombay Series... ..	239
" " of North-Western Provinces, Allahabad Series	239

*Proceedings of the Madras Government, Judicial Department,
4th March 1876.*

As 130 copies of the 1st issue of the Bengal Series have already been received from Calcutta, the Government of India, Legislative Department, will now be requested to forward 109 additional copies of that issue to complete the requirement of this Government.

6. Seven hundred and fifty copies of the Madras Reports have hitherto been printed by Messrs. Graves, Cookson and Co. as part of the work relating to the High Court. Under the present alterations, 2,577 copies will have hereafter to be printed, as follows:—

	Copies of Madras Series.
For despatch to other Governments, with simple fly leaf, as in paragraph 3 above	1,697
For distribution to Departments and Judicial Officers as per revised list, in part of complete series in wrapper Form A	239
For stock in Library, to be added to the other series in wrapper Form A	50
For disposal to Messrs. Higginbotham and Co., in wrapper Form B ...	590
For despatch to the Honorary Secretary to the Sassoon Mechanics Institute, Bombay, in wrapper Form B	1
Total ...	2,577

7. The Supervisor of the Government Press will issue the necessary orders to Messrs. Graves, Cookson and Co. for the printing of the additional number of the Madras Reports required, and of the fly leaf and wrappers (Forms A and B) above mentioned.

Mr. H. & Co 50 copies of the Calcutta,

The H.C. Repts have hitherto been

supplied H. & Co at 1 R. per part, & they

had permission to sell at 1 1/2. The Prospec.

was published by direction of the Govt of

I. proposes prices, which affect the pro.

and arrangement. The proposed

recessities fresh arrangements will therefore

have to be made with them, to give them or

small margin for profit.

The prices mentioned in the pro.

prices, except in the case of Calcutta,
seem to be very low. The prices fixed
for Madras are 8 Rs per part to the
public, or 8 Rs per annum if paid
in advance. H. & Co. must be supplied
at something less to give them a margin
in the shape of commission or profit.
If they are supplied at 12 annas per
part, they will have a margin of 4 as;
and at 6 Rs for the year in advance, they
will have 2 Rs for the year. If lower prices
are fixed, there may be a loss to Govt.

Please see Draft G.B. submitted.
700 copies of the Madras
Reports were heretofore printed by
Messrs James Corkin & Co. but under
the new arrangements 2300 + odd copies

will have to be printed. It will be
a question for consideration whether
the prices at which the series will
have to be supplied will cover the
cost of printing to the Govt, unless
the printing is hereafter done in
the Govt Press.
