GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

15th July 1878, No. 1409.

Contingent Charges.

Read the following paper:—

No. 57. *From H. SEWELL, Esq., Collector of Trichinopoly, to the Chief Secretary to Government, dated 6th July 1878, No. 91.*

The Civil Surgeon in charge of the Municipal Hospital at this station has forwarded the undermentioned bill for payment with reference to G.O., No. 827, dated 16th July 1863, and No. 601, dated 23rd April 1866, Public Department:—

Bill for dieting wounded cases sent by the Police or Magistracy for treatment in the Municipal Hospital at Trichinopoly from 1st January to 31st December 1877	RS. A. P.
...	487 5 2

2. The Accountant-General states that as the charge for dieting wounded cases, &c., appears to have been hitherto defrayed by the Municipality, the special sanction of Government must be obtained before the charge can be admitted in the Magisterial contingent bill.

3. I have accordingly the honor to submit this reference for the orders of Government on the subject.

4. The Civil Surgeon explains that he has forwarded the bill for the whole year instead of monthly, as he was not aware that the charge should be borne by Government.

No. 58. ORDER THEREON, 15th July 1878, No. 1409.

The payment of the charges amounting to Rupees 487-5-2 is sanctioned. Had the orders of Government, dated 23rd April 1866, No. 601, been carried out, the charge for *each* month would have been included in the Magisterial contingent bill for the month, and passed, in the usual course, by the Accountant-General.

2. Copy of these Proceedings will be communicated to all District Magistrates, and their attention directed to G.O., dated 23rd April 1866, No. 601.

Proceedings of Government, Judicial Department, dated 23rd April 1866, No. 601.

Read the following papers:—

No. 182. From the Collector of Malabar, to the Chief Secretary to Government, dated Calicut, 26th January 1866, No. 13.

A sum of Rupees 15 was, at the request of the Superintendent of Police, South Malabar, and in anticipation of obtaining sanction, advanced to the Dresser in charge of the Police Hospital at Malliappooram, to meet the expenses of treating wounded persons sent there by the Sub-Magistrates in criminal cases, or accidents coming under official cognizance.

2. The Superintendent of Police states that the Dresser cannot undertake such cases without funds, and it is absolutely necessary that he be furnished with them. I have, therefore, the honor to request you will obtain the sanction of Government to this measure as a special case.

Referred to the Principal Inspector-General, Medical Department.

No. 183. From the Principal Inspector-General, Medical Department, to the Chief Secretary to Government, dated Fort St. George, 23rd March 1866, No. 112.

I have the honor to return letter, No. 13, of the 26th January last, from the Collector of Malabar, to your address, on the subject of an advance of Rupees 15 made by him to the Dresser in charge of the Police Hospital at Malliappooram.

2. I regret the delay which has occurred in replying to the Collector's letter, but the requisite information has only now been received.

3. It appears that the advance was made to meet the expense incurred in the treatment of some wounded men, who had been brought to the Police Hospital.

4. The amount expended by the Police Dresser, on account of these wounded men, during the months of October, November, December, and January, is Rupees 14-7-0, beyond the Rupees 15 advanced by the Collector, and this sum is still due to him.

5. This balance should be adjusted as soon as possible, as the Dresser had to borrow the money.

6. It is desirable that arrangement should, if possible, be made between the Magisterial and Police authorities, to provide funds to meet the necessary expense incurred in like cases.

No. 184. ORDER THEREON, 23rd April 1866, No. 601.

No separate sanction seems necessary for the charges referred to. They should be included in the Magisterial contingent bills.
