GOVERNMENT OF MADRAS.
JUDICIAL DEPARTMENT.

30th May 1879, No. 1278.

Arms Act.

Read the following paper:—

✓ No. 332. From A. MACGREGOR, Esq., Resident in Travancore and Cochin, to the Acting Chief Secretary to Government, dated Trevandrum, 5th April 1879, No. 34.

With reference to your telegram of the 28th January, I have the honor to inform you that both Travancore and Cochin Governments have consented to impose the duties on arms prescribed by Schedule 2, Act XI, 1878, and orders have been issued accordingly.

2. I am addressing the Travancore Government in reference to your demi-official, dated 24th March, as to limiting the ports.

3. As regards Travancore, I shall request that import should be limited to Alleppy.

4. As Cochin is a British Port the limiting to that would amount to a total prohibition of import of arms by sea into the Cochin State.

5. The port of Narakel is in the Cochin Native State, and is, as you are aware, used during stormy weather as an alternative port to Cochin, the British Indian Steamers touching there in the monsoon.

6. Perhaps therefore it would be as well to fix on that as the sole port in Native Cochin for the import of arms.

7. Alleppy being likewise a monsoon port the import at one of the ports of each State in all weathers would thus be secured.

8. On receiving your reply I shall address the Cochin Government.

✓ No. 333. ORDER THEREON, 30th May 1879, No. 1278.

The Government would consider the limitation to the ports named a satisfactory arrangement.
