GOVERNMENT OF MADRAS.
JUDICIAL DEPARTMENT.

14th July 1880, No. 1669.

Coroner of Madras.

Read the following paper:—

No. 59. *From the Hon. CHARLES GRANT, Officiating Secretary to the Government of India, Home, Revenue, and Agricultural Department (Judicial), to the Chief Secretary to Government, dated Simla, 24th June 1880, No. 668.*

With reference to the correspondence ending with your letter, No. 1265, dated the 26th ultimo, on the subject of the proposed curtailment of the jurisdiction of the Coroner of Madras, I am directed to say that before deciding to propose legislation in the matter, the Governor-General in Council desires to be furnished with information showing precisely what is to be substituted for the jurisdiction of the Coroner in the tract from which it is proposed that his jurisdiction should be excluded. It is stated in paragraph 3 of your letter, No. 72, dated the 15th January 1879, that sudden and unnatural deaths in this tract are to be inquired into by the Police as is done in the Mofussil. But I am to point out that certain powers are requisite for making such an inquiry, and that the sections of the Criminal Procedure Code (133 and 134), by which those powers are given in the Mofussil, do not extend to the Presidency towns.

No. 60. *To the Secretary to the Government of India, Home, Revenue, and Agricultural Department (Judicial), dated Ootacamund, 14th July 1880, No. 1669.*

In acknowledging your letter of 24th June ultimo, No. 668, I am directed to state that in the Act which this Government has suggested should be passed for the reduction of the territorial jurisdiction of the Coroner of Madras, it will of course be necessary to insert a provision that the Police, within the area separated from such jurisdiction, shall inquire into sudden and unnatural deaths as they do in the Mofussil under the Code of Criminal Procedure—*vide* last paragraph of letter from this Government, 15th January 1879, No. 72.
