Treasury Account DEPARTMENT.

No. 9A B
165

Fort Saint George,
Accountant General's Office,
28th December 1879.

FROM THE ACCOUNTANT GENERAL
TO THE GOVERNMENT OF MADRAS.

To The Secretary to Government,
Judicial Department

SIR,

I have the honor to bring to the notice of His Grace the Governor in Council that Surgeon Sturmer, Acting Resident Surgeon, General Hospital, has preferred a claim to a fee of Rs. 15 for giving medical evidence before the Coroner at an inquest held at the General Hospital touching the death of Mrs. Ferry and her two children.

2. It would appear from para 3 of G.O. No. 3009 dated the 26th December 1877 Judicial that a Medical Officer attached to the General Hospital is not entitled to any fee for conducting post-mortem Examinations in the case of patients dying there, and under this principle he is, in my opinion, not entitled to a fee for giving evidence before the Coroner touching the results of such post-mortem Examinations.

3. In the case under consideration Mrs. Ferry and her children died in the Railway accident at Chinnamuniasipattam and their bodies were brought to the General Hospital so that one of the Staff of that Institution was in my
opinion

opinion the officer on whom devolved the duty of making the post-mortem Examination and thereafter of giving evidence with regard to it -

4. There is no order of Government distinctly stating that an officer conducting a post-mortem Examination (for which he would be entitled to a fee) is not entitled to a fee for giving evidence, regarding it before the Coroner. I have therefore considered it advisable to lay the matter before Government in order that an authoritative ruling on the subject may be passed.

I have the honor to be

Sir,

Your obedient servant

Adj. Account General

Office of Surgeon General -
Fort Saint George 21 January/80.

From The Surgeon General. Ind.
Fort Saint George.

The Chief Secretary to Government.
Judicial Department.

Sir, In returning the Accountant General's letter referred with your docket No 2589 of the 30th ultimo, I have the honor to state for the information of His Grace the Governor in Council that, under the existing rules of the Service Medical Officers who are entitled to a fee for conducting post-mortem examinations are also entitled to a fee for giving evidence in respect to such examinations, and vice versa. The Government having decided that the General Hospital Staff is not entitled to a fee for making post-mortem examinations of patients dying at that institution, it seems to me, from analogy, that neither is a fee admissible for giving evidence in the same cases.

I have the honor to be,

Sir,
Your most obed^t servant.
