GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

21st January 1881, No. 125.

Lock Hospitals.

Read the following paper :—

No. 89. *Proceedings of Government in the Military Department, dated 19th January 1881, No. 303.*

Read the following letter from Surgeon-General Sir A. D. HOME, v.c., K.C.B., Her Majesty's Forces in Madras, to the Acting Secretary to Government, Military Department, dated 18th January 1881, No. 16-81 :—

G.O. (Judicial), No. 27, of 8th January 1881.

In returning the marginally-noted Order, I have the honor to forward, as instructed, returns showing the statistics of venereal diseases amongst British troops in the Madras Presidency during the year 1870.

2. To keep these in accord with the "Army Medical Department Report" for 1870 the sickness in the 1st/21st Fusiliers has been excluded. The reason given by the Director-General for this exclusion will be found at page 142 of the report and is as follows : "it would be obviously unfair to include in the general return of the troops in Madras the sickness and mortality of a corps which had been sent to it as a sanitarium and could not be considered in any way as effective till late in the year."

ENCLOSURE No. 1.

Return No. 1.
