GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

6th January 1881, No. 13.

Police—Drill Instructors.

Read the following papers:—

No. 12. *From Colonel C. S. HEARN, C.I.E., Inspector-General of Police, to the Chief Secretary to Government, dated Madras, 8th December* 1880, *No.* 8284.

In Extract from Minutes of Consultation, No. 383, dated 27th January 1859, Military Department, sanction was accorded for the employment of men from Native Infantry Regiments to teach the Police Drill.

2. It was found necessary owing to the extra expenses of these Drill Instructors in living away from their Regiments and families to give them batta, and this was done at the rate of Rs. 5 per mensem for a Havildar or Naigue, and Rs. 2-8-0 for a Sepoy; these rates (the batta of their rank in the Army) have been paid since March 1861, and met by savings effected in each district by short enlistments and casualties.

3. It will be observed from Minutes of Consultation above quoted that correspondence regarding these Drill Instructors and their remuneration must have taken place between the Inspector-General of Police then and Army Head-quarters; no trace, however, of this or of any express sanction of Government for the payment of these rates of batta can be found in my office, no records are forthcoming from the Quartermaster-General's Office, and the Adjutant-General has not yet replied to a reference as to records in his.

4. The inconvenience these Drill Instructors are put to, however, from the withholding of their customary batta by the Accountant-General compels me to apply to Government for a fresh sanction, and I have therefore the honor to solicit that what they have been paid for 19½ years may be continued to them.

No. 2371.

Referred to the Accountant-General for remarks.

Treasury Account Department.

With reference to your endorsement, No. 2371, dated 11th December 1880, referring for my remarks letter from the Inspector-General of Police, No. 8284, dated 8th December 1880, I have the honor respectfully to state that I objected to the batta granted to Drill Instructors in the Police Department, because G.O., No. 1571, Judicial Department, dated 19th November 1859, the only order which could be traced in this office on the subject, sanctioned the grant of batta to Drill Instructors employed only in the North Arcot District, and conveyed no *general*

sanction, neither did it lay down the rate at which the batta should be paid. There is, however, no objection to the continuance of the batta to these Instructors if His Grace the Governor in Council is pleased to sanction it, and to lay down the rate at which it should be given.

No. 14. ORDER THEREON, 6th January 1881, No. 13.

The payment of batta to Drill Instructors, at the rates specified by the Inspector-General of Police and which have been in force for a series of years, is sanctioned.
