With reference to your endorsement, No. 2326, dated the 6th December 1880, on a letter from the Inspector-General of Police regarding the grant of travelling allowance on first appointment, I have the honor to invite a reference to the Government of India, Financial Department, No. 401, dated 24th January 1867, in accordance with which travelling allowance is only admissible when the appointment is made to an office which the person cannot join except by sea, and to state that there is no order under which travelling allowance can be given in the case referred to by the Inspector-General of Police.

2. The Government of India, Financial Department Notification, No. 3774, dated 30th November 1880, which the Inspector-General of Police quotes, merely changes the rate of travelling allowance to be given in future in those special cases in which travelling allowance is, under former rules, admissible on joining the public service, or on substantive promotion, and does not I consider add to the Government of India Resolution of January 1867 quoted above by granting to officers who formerly did not enjoy travelling allowance the rates specified for journeys by rail.

3. Should, however, His Excellency the Governor in Council consider that travelling allowance should be granted in the case referred to by the Inspector-General of Police, I respectfully request that the question be submitted for the previous sanction of the Government of India.

Police—Travelling Allowance.—The Accountant-General authorised to admit the charge of Rs. 2, being the railway fare of a pensioned European soldier who travelled from Avadi to Salem to take up an appointment of Head Constable.

Sir,

Enclosures,
2

According to the principle admitted in Proceedings of Government 23rd May 1866, N^o. 797 (Judicial Department) a railway warrant was given a short time ago to enable a pensioned European Soldier to proceed from Avadi to Salem to take up the appointment of Head Constable.

2. The Accountant General objects to the charge (Rupees 2) on the ground that the G.O. above quoted applies only to journeys by sea.

3. I have now therefore the honour to solicit the sanction of Government for the charge.

charge, and at the same time to point out that as a rule pensioned soldiers, from which class many of our European Head Constables are necessarily drawn, live from hand to mouth and are quite unable to pay their railway fare on appointment to the Police up country.

4. Notification of the Government of India No. 3774, in Fort Saint George Gazette 30th November 1880 part I page 568, now sanctions Railway fare to officers "whether on joining the public service or on substantive promotion." This does not appear to apply to the grade of European Head Constable but it coincides with the order of the Madras G.O. before quoted in spirit.

I have the honor to be,
Sir,
Yours Most Obedt. Servt.,
