TO

*The Honorable R. Davidson C.S.I.
Chief SECRETARY TO GOVERNMENT,
Judicial Department, MADRAS.*

SIR,

In reference to official
Memorandum Judicial Department N^o 832
dated 9 May last, I have the honor to submit
a revised statement showing the charges
of each of the proposed Kazis.

2. In the present statement
Mustan Beg Saib has been nominated
as Kazi of Kolathavancheri, he having been
by an oversight on the part of the Divisional
officer omitted, and the names of the

persons to be nominated for Madramtakum and Saint Thomas Mount have been included.

3. My report has, I regret, been much hindered owing to the delay in enquiring into rival claims and alleged jurisdictions. Even now every one is not satisfied, though there has been a great deal of correspondence and much trouble taken.

4. As I read Act XII of 1850, the Government do not in selecting Kazies recognize any hereditary claims, and take into consideration only the wishes of the majority of the respectable inhabitants of each sect of the Mahomedan community.

5. In regard to Saint Thomas Mount and Poonamallee there has been a great deal of disputing.

6. In respect to Poonamallee Mir Gulam Fathullah Saib and Mir Gulam Ahsanullah Saib, both clerks in Government offices in Madras at the eleventh hour laid claim to the Kaziship on the ground that it is theirs by hereditary descent, and has been usurped by certain others. The people of the tract, which they claim, utterly repudiate them. I do not think that there can be any doubt that the family did formerly hold the Kaziship, but if the claimants are appointed on this ground, it will be in the face of the objections of the people. They are sure to appeal to Government. I have retained their petition pending orders.

7. At the Mount there have been a bitter war and numerous petitions. The Cantonment Magistrate held full enquiries. Seyd Azimudeen Saib is the

man in charge of the local Mosque and is the candidate of the civil population, whilst the other, Abdul Kadir, is supported by the Military Section and the pensioners. A poll was tried and Syed Azimudeen Saib received the larger number of votes. The Cantonment Magistrate however excluded all the sepoys on the active list and remarked when reporting that, had he allowed the soldiery to vote, Abdul Kadir would have received the larger number of votes. The contest is one between the fixed and civil population as against the floating and military, and if only one man is appointed, the other side will be discontented. The best solution of the difficulty appears to be to appoint both candidates. If this is not desirable, I would suggest Syed Azimudeen Saib, as being the nominee

of

of the majority of the permanently resident population.

19
8. In the Madurantakam Taluq there has been a dispute, founded upon much the same grounds as that at Poonamallee viz a hereditary right supported by the decisions of Civil Courts. This was enquired into by the Adj. Magistrate, and I believe that the decision at which he has arrived is as satisfactory as one as can ever be attained, and is in accordance with the wishes of the people.

9. I have retained all petitions Mahzors, &c in case that Government might wish for further enquiries or information in regard to any particular case.

10. I can, when final orders are received

endorse the petitions to the parties.

I have the honor to be,
