GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

28th January 18 1, No. 212.

Registration.

Read the following paper :—

No. 114. *From G. HAMNETT, Esq., Inspector-General of Registration, to the Chief Secretary to Government, dated Madras, 10th January* 1881, *No.* 10.

I have the honor to bring to the notice of Government the backward state of registration in the Bellary District. During the ten years ending 1879-80, the receipts* have fluctuated from Rs. 5,789 to Rs. 7,817. The highest amount realized was in 1878-79, which has fallen off again to Rs. 6,707 in 1879-80. Comparing the latter year with 1870-71, the number of registrations has increased by only 1,461, and the receipts by Rs. 917. The average for the ten years gives an increase of 1,153 registrations and of Rs. 701 in receipts.

* Statement A.

2. The District of Bellary contains an area of 11,007 square miles, a population of 1,668,006, and an average revenue of Rs. 34,34,599; while Cuddapah, with an area of 8,367 square miles, a population of 13,51,194, and an average revenue of Rs. 23,74,878, shows an increase over Bellary during 1879-80 of 1,785 registrations, and Rs. 1,180 in receipts.

	Registrations.	Receipts.
		RS.
Cuddapah	5,790	7,886
Bellary	4,015	6,706
Total ..	1,785	1,180

3. There are twenty-one offices in Bellary against thirteen in Cuddapah. Up to the 1st April 1879 the whole of the offices in Bellary were managed by *ex-officio* Registrars. On that date a Special Registrar was appointed to Bellary, and on the 24th February 1880 a Special Sub-Registrar posted to Hospett. There are still nineteen stations in charge of *ex-officio* Sub-Registrars, who are, as shown by the Board of Revenue in their Proceedings, No. 2897, dated 11th October 1879, " so overwhelmed with revenue and magisterial work as to have no leisure to devote to the supervision of registration; they regard their revenue and magisterial work as their primary duty and registration as a secondary consideration."

Proceedings of Government, No. 2985, dated 27th November 1879.

4. I had an opportunity of conferring with the Registrar of the District during the Christmas holidays, and he has assured me that, as long as the Registration Offices are in charge of *ex-officio* Sub-Registrars, it is hopeless to look forward to any improvement in registration. In these circumstances, I venture to recommend, as an experimental measure, that the marginally-noted four stations be placed under Special Sub-Registrars from the 1st April 1881. The arrangement will involve some increase in expenditure, as per statement marked B; but this, judging from what has happened elsewhere after the nomination of special officers, is not likely to continue long, as the Special Sub-Registrars will devote their whole time and attention to the work of registering documents and afford to parties

presenting them facilities which it is impossible Taluk Sarishtadars, encumbered with other duties, can be expected to do.

5. Should the Government be pleased to sanction the experiment, I shall submit a report on the results attained at the end of one year.

From

To
The Inspector General of Police

Sir;

I have the honor to forward for your information copy of a letter from Mr Travers detailing the particulars of the measures he adopted for the capture of certain Fitooridars and which resulted in the death of Pathavidhi Veerayya Dora who was shot by Temporary Head Constable P. Appalaswamy. The head I may add has been clearly identified both at Narsipatam and here.

2. I take this opportunity of bringing to your notice the very good service rendered by Mr Travers since he has taken up his appointment in the Gudem hills, and trust you may consider the same deserving of some special mark of the approval of Government. He has not only worked indefatigably himself, but has been most successful in obtaining the zealous cooperation of the local Mutadars and Villagers who are now hunting up

and

of 1668,000 and average produce of

-and fast bringing in the few remaining rebels -

On the 14th December Mr. Travers writing from Gudem informs me that on the previous day 8 had been brought to him, 3 of whom are in the proclaimed list.

3. I intend consulting with Mr. Travers how he considers the rewards should be distributed; I hope to forward you a roll for the promotion of Inspector Barayya Naidu whose previous good service on the hills has been I believe more than once brought to your notice, and I will if possible bring the Temporary Head Constables so favorably reported on by Mr. Travers on the permanent establishment at an early date.
